

# Your duty to take reasonable care not to make a misrepresentation

#### **About your duty**

When you apply for life insurance as a member of Australian Retirement Trust, the insurer may conduct a process called underwriting. It's how the insurer decides whether it will cover you, and if so on what terms and at what cost. If your application is underwritten, you will be asked questions which the insurer needs to know the answers to. These will be about your personal circumstances and may include questions about your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you provide in response to the questions is vital to the insurer's decision.

#### The duty to take reasonable care

When applying for insurance which is to be underwritten, you have a legal duty to take reasonable care not to make a misrepresentation before your application is accepted by the insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth. This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

#### If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Please note that there may be circumstances where the insurer later investigates whether the information you provided was true. For example, the insurer may do this when a claim is made.

### **Guidance for answering questions**

When answering questions as part of an application for insurance cover, you should:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us or the insurer before you respond.
- · Answer every question.
- · Answer truthfully, accurately and completely.
- If you are unsure about whether you should include information or not, you should include it.
- Review your application carefully before it is submitted. If someone else
  helped prepare your application (for example, your adviser), you should
  check every answer (and if necessary, make any corrections) before the
  application is submitted.
- You must not assume that Australian Retirement Trust or the insurer will contact your doctor for any medical information.

#### Changes before your cover starts

Before your application is accepted, the insurer may ask about any changes that mean you would now answer the questions differently. As any changes might require further assessment or investigation, it could save time if you let us or the insurer know about any changes when they happen.

#### If you need help

It's important that you understand this information and the questions that you are asked. Ask us or the insurer for help if you have difficulty understanding the process of applying for insurance or answering our or the insurer's questions. If you're having difficulty due to a disability, understanding English or for any other reason, we are here to help and can provide additional support for anyone who might need it.

## What can the insurer do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to the insurer. These are set out in the *Insurance Contracts Act 1984* (Cth). These are intended to put the insurer in the position they would have been in if the duty had been met.

For example, the insurer may:

- avoid the cover (treat it as if it never existed);
- · vary the amount of the cover; or
- · vary the terms of the cover.

Whether the insurer can exercise one of these remedies depends on a number of factors, including:

- whether you took reasonable care not to make a misrepresentation (this depends on all of the relevant circumstances);
- what the insurer would have done if the duty had been met for example, whether they would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before the insurer exercises any of these remedies, they will explain their reasons, how to respond and provide further information, including what you can do if you disagree.

#### This form can be used to obtain or change your insurance cover

#### Information about genetic tests

If you've had a genetic test, you only need to disclose this to us if your total insurance cover will be more than the amounts listed below. When considering your total insurance cover amounts you need to include the cover you're applying for, your cover held in superannuation and your cover held with other life insurers. The total insurance cover you can have and not disclose if you've had a genetic test are:

- \$500,000 life cover, or
- \$500,000 total and permanent disability cover (TPD), or
- \$200,000 critical illness (trauma) cover, or
- \$4,000 a month income protection cover, salary continuance cover or business expenses cover.

You also need to consider all cover that may have been arranged through a financial adviser, or directly with a life insurance company, or cover held under a group insurance arrangement.

If you've had a favourable (negative) genetic test result you can provide this information regardless of the amount of cover applied for.

#### Your duty to take reasonable care not to make a misrepresentation

#### About this application and your duty

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

#### The duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

The duty also applies when extending or making changes to existing insurance, and reinstating insurance.

#### If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

#### Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- think carefully about each question before you answer. If you are unsure about any question, we are here to help and you can contact us.
- answer every question.
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted, and
- you must not assume that we will contact your doctor for any medical information. If you are unsure about whether you should include information or not, please include it.

Your duty to take reasonable care not to make a misrepresentation continues until the time your insurance cover starts. The duty applies when you answer questions in your application and whenever we obtain more information from you.

#### If you need help

It's important that you understand this information and the questions we ask. Ask us or your adviser for help if you need help understanding the process of buying insurance or answering our questions.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help and can provide additional support for anyone who might need it. If you want, you can have a support person you trust with you.

Insurance is issued by MLC Limited ABN 90 000 000 402 AFSL 230694. MLC Limited uses the MLC brand under licence from the Insignia Financial Group. MLC Limited is part of the Nippon Life Insurance Group and is not a part of the Insignia Financial Group. Any references to 'we', 'us' and 'our' means MLC Limited.

#### What can we do if the duty is not met?

If the person who answers our questions does not take reasonable care not to make a misrepresentation, there are different remedies that may be available to us. These are set out in the Insurance Contracts Act 1984 (Cth). These are intended to put us in the position we would have been in if the duty had been met.

For example we may:

- avoid the cover (treat it as if it never existed);
- vary the amount of the cover; or
- vary the terms of the cover.

Whether we can exercise one of these remedies depends on a number of factors, including:

- whether the person who answered our questions took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances;
- what we would have done if the duty had been met for example, whether we would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before we exercise any of these remedies, we will explain our reasons, how to respond and provide further information, including what you can do if you disagree.

#### **Section 19 Declaration**

#### Read this section carefully before signing.

My decision to apply for insurance under MLC Group Insurance is based on the Product Disclosure Statement and/or Policy Document for the relevant product that I have received and my understanding of the information it contains.

#### I understand and agree that:

- (a) I have read and understand the duty to take reasonable care not to make a misrepresentation;
- (b) The answers to the questions in this application and any other relevant personal statement(s) and questionnaires are true and complete, and the answers given form the basis of the contract;
- (c) If any answers to the application questions are not in my own handwriting, I certify that I have checked them and they are correct:
- (d) I consent to notices relating to my application to be sent to the email address or the mobile number provided by me and I acknowledge that my personal and sensitive information may be sent to that email address.
- (e) Where this application is for insurance cover under a superannuation fund, I will provide the Insurer or the trustee or any appointed adviser, intermediary or administrator with any information which relates to my membership of that fund which they may request;
- (f) This insurance application is not effective until the Insurer accepts this application and issues a confirmation, except for Interim Accident Insurance that will apply subject to specific terms and conditions;
- (g) I was actively at work performing the normal duties of my occupation when I applied for this insurance;
- (h) All statements and declarations given by me on this form are true and correct; and
- (i) The information contained in this application may be released to the trustee which has arranged this group insurance, or to an adviser, intermediary or administrator appointed by the trustee for the purposes of administering this insurance or the superannuation fund under which it is provided.

#### I authorise the Insurer to:

- (a) Provide my personal, financial and medical information (whether provided in this application or otherwise subsequently collected by the Insurer with my consent) to any medical professional, medical facility, reinsurer, assessor, adviser or any other confidential service provider, now or at any time in the future, for the purpose of issuing or administering this insurance, and assessing any claim made in respect of this insurance; and
- (b) Provide a copy of any test results (except the HIV Antibodies Blood Test) I have undertaken in connection with this application to my usual doctor or medical centre as nominated at Question 12 of Section 10, Doctor's details; and
- (c) Provide a copy of the HIV Antibodies Blood test to my usual doctor or medical centre as nominated at Question 12 of Section 10, Doctor's details unless I have nominated an alternative doctor to receive the results, in which case I authorise the results to be provided to the alternative doctor specified.

I also authorise the Insurer and any third party referred to in paragraphs (a), (b) and (c) of this authority, to transfer any such information outside the State, Territory or jurisdiction in which the information was collected in order to give effect to this authority.

#### Privacy

I acknowledge that I have access to the Insurer's privacy policy and agree that the Insurer may collect, use, disclose and handle my personal information in a manner set out in the Group's privacy policy available on **mlcinsurance.com.au** 

I acknowledge that where my Employer (or former Employer) or the trustee of my superannuation fund has appointed an adviser, intermediary or administrator to arrange and/or administer the group insurance policy on their behalf, my personal information, including my pastime activities, occupation and financial status will be provided to the Insurer for the purpose of expediting the assessment of this application for insurance.

#### Consent

I consent that where my application is declined, loaded and/or an exclusion is applied, the Insurer may disclose any personal medical information or finding that resulted in my application being declined, loaded and/or having an exclusion applied, to the adviser, intermediary or administrator providing services in relation to this group insurance.

I understand that I can withdraw this consent at any time by contacting the Insurer on **1800 652 447** or email **enquiries.group@mlcinsurance.com.au** 

Where, in the Insurer's opinion, your medical information or our findings are of a personal or sensitive nature, the Insurer reserves the right to withhold disclosure of this information to the appointed adviser, intermediary or administrator.

## **Authority to release medical information**

(to be completed in All cases)

#### Notes on releasing information about your health

Your health information includes details about all your interactions with health providers, and may include details such as your symptoms, treatment, consultations, personal medical history and lifestyle. Health providers cannot release this information about you without your consent.

We, **MLC Life Insurance**, collect and use your health information to assess your application for cover, to assess and manage your claim, or to confirm the information you gave us when you applied for cover or made a claim. This is why we need your consent.

Each time you apply for cover or make a claim, we will ask you for a fresh consent. We will respect your privacy by only asking for the information we reasonably need, and we will tell you each time we use your consent.

Please read each Authority carefully and the explanatory notes below.

**Authority 1 explanatory notes** – through this Authority, with the exception of a copy of the consultation notes held by your General Practitioner/Practice, you are consenting to any health provider releasing any health information about you in the form we ask for. This may involve, for example:

- preparing a general report and/or a report about a specific condition;
- accessing and releasing your records in SafeScript;
- releasing your hospital patient notes;
- · releasing the results of any investigations they have done; and/or
- releasing correspondence with other health providers.

**Authority 2 explanatory notes** – through this Authority, you are consenting to any General Practitioner/Practice you have attended releasing a copy of your full record, including consultation notes, but only if we have asked them to provide a general report and/or a report about a specific condition under Authority 1, and either:

- they will be unable to, or did not, provide the report within 4 weeks; or
- the report provided is incomplete, or contains inconsistencies or inaccuracies.

Your General Practitioner maintains consultation notes to support quality care, your wellbeing and to meet legal and professional requirements. General Practitioners/Practices should only release a copy of your full record, including consultation notes, for life insurance purposes in the rare circumstances set out above.

If you choose to withhold your consent to this authority, we may not be able to process your application for cover or a claim.

#### Section 20 Authority to release medical information (to be completed in ALL cases)

Authority 1 - to release any of my health information except the consultation notes held by my General Practitioner/Practice

With the exception of consultation notes held by any General Practitioner/Practice I have attended, I authorise any health provider, practitioner, practice, psychologist, dentist, allied health services provider or any hospital to access and release, in writing or verbally, any details of my health information to **MLC Life Insurance**, or to third parties they engage.

I agree to all the following:

- My health information can be released in the form **MLC Life Insurance** asks for, such as a general report, a report about a specific condition, my records in SafeScript, any hospital notes, or correspondence between health providers.
- MLC Life Insurance can collect, use, store and disclose my personal information (including sensitive information) in accordance with privacy laws and Australian Privacy Principles.
- This Authority is valid only while **MLC Life Insurance** is assessing my claim or application for cover, or is verifying disclosures I made in connection with the cover.
- A copy or transcript of this Authority will be valid and effective, and this Authority should be accepted as valid and effective where I
  have signed electronically or consented verbally.

#### **HIV Antibody Blood Test**

In accessing this application for insurance we may ask you to have a blood test to check your overall health, and to test for HIV. This is because we need to understand your state of health when taking out a life insurance policy.

The test can be done by your own doctor, by appointment with a doctor or paramedical nurse arranged by us, or directly with the pathology laboratory.

This test is voluntary, however, if you choose not to have the test, it could affect our decision to accept this application based on the other information you have provided to us.

#### AIDS/HIV

- Acquired Immune Deficiency Syndrome (AIDS) is a viral disease caused by the Human Immunodeficiency Virus (HIV).
- HIV weakens and destroys some of the white blood cells in our bodies these cells help protect our bodies against infection and cancer.
- Evidence suggests that the virus will be in the body indefinitely but there are now effective treatment options available called antiretroviral therapy (ART).

#### A negative result

A negative result means you have not been infected or you have been infected recently but your body is not yet displaying the infection.

#### A positive result

A positive result means you have been infected by HIV.

Knowing that you are HIV positive has legal consequences which vary across all States and Territories. Because the long-term outlook for HIV and developing AIDS is unknown, most insurance is unlikely.

#### What happens to the results?

- You'll be asked to nominate your family doctor or an alternative to be sent the result by us and provide you with counselling.
- This will be in the consent declaration in the Application Form attached to this brochure.
- If the test is arranged by us the result is sent to us, MLC, confidentially to protect your privacy.
- If it's positive, you will receive proper counselling from a doctor.

#### Your choice

There may be several reasons you choose not to have this test including the impact of a potentially positive result on the HIV test.

If you need more information before deciding, you are advised to seek advice from your own doctor, or a specialist HIV counsellor. Government and community organisations provide counselling services.
