3 Confirming your identity

Before you're able to withdraw money from your super account, by law, Australian Retirement Trust needs to verify your identity. This is why we request that you provide us with a certified copy of your driver's licence or passport. In some cases, identification documents may not be sufficient for us to process your request, for example, if they have not been correctly certified. This can result in delays in setting up your Income account while we contact you for further information.

With your consent, Australian Retirement Trust can use Equifax IDMatrix to verify your identity electronically. This program uses data held in places such as the Electoral roll, White pages, Department of Transport, the Passport Office, and Equifax credit information files to verify your details.

As part of the electronic verification process, your document details (for example, your driver's licence number) will be submitted to the Australian Government's Document Verification Service (DVS). The DVS is a national online system that allows organisations to compare a customer's identification with a government record. More information about the DVS is available on their website www.dvs.gov.au

By checking this box, I consent to my identity being verified electronically. I acknowledge that the document details I provide as evidence of my identity will be checked with the relevant body. This includes consent for the personal information you have provided, such as name, date of birth and residential address, to be verified against personal information contained in your credit information file. Note that Australian Retirement Trust will not access your credit related information such as credit card and loan applications.

If you don't want us to be able to verify your identity electronically if required, that's fine too. Make sure you read the information at art.com.au/poi for acceptable identification documents and certification requirements.

Important:

OR

OR

- You can use up to a maximum of 50% of your Defined Benefit (less any Offset account balance) in addition to your Additional account balance to open an Income account. You
 must use the balance of your Additional accountlation account first before you can access your Defined Benefit, and you can only access your Defined Benefit once per financial year. Refer to
 the Super Savings Corporate Defined Benefit Handbook for details.
- 2. If you wish to keep your Additional Death and Total & Permanent Disability (TPD) insurance cover on your APSS Super Savings Corporate Defined Benefit account, you'll need to ensure there is enough money in your Additional account to pay for any future insurance premiums and you will need to make at least one eligible contribution every 12 months or advise us in writing via art.com.au/keep-my-insurance that you wish to retain your insurance cover.
 - I want to transfer \$______ (min. \$30,000 required) from my APSS Super Savings Corporate Defined Benefit account to open my Income account.

I am aware that my transfer will be drawn from my Additional accumulation account balance first, and then from my Defined Benefit up to the maximum amount permitted. The value of your Defined Benefit entitlement may change from the date you complete this form until the date we process your instruction, as the amount cannot exceed 50% of your Defined Benefit (less any Offset account balance). You may get more or less than the amount requested when processing is completed.

I want to transfer the maximum amount permitted from my APSS Super Savings - Corporate Defined Benefit account to open my Income account.

Members with Additional Death and TPD insurance cover must also complete this section. If you do not complete this section, we will cancel your Additional insurance cover if the balance of your Additional accumulation account reduces below \$6,000 after the transfer to your Income account:

I want to retain \$6,000 in my Additional accumulation account to keep my Additional Death and TPD insurance cover.

Note: if you tick this box, the amount transferred to your Income account will be limited to the balance of your Additional accumulation account less \$6,000,

plus a portion of your Defined Benefit (if required) up to the maximum amount permitted on the date we process your request. Changes in the daily unit prices will mean that the actual amount retained in your Additional accumulation account will be higher or lower than your nominated amount.

I want to cancel my Additional Death and TPD insurance cover and transfer my entire Additional accountiation account balance to my Income account.

5 Claiming a tax deduction

Note: If you intend to claim a tax deduction for voluntary after-tax contributions paid to your Additional accumulation account, it's important you let us know before you start your Income account. A request to claim a tax deduction is not valid if we have started to pay an income stream using any of the contribution. Separately, if you make a partial withdrawal or transfer, the maximum amount you can later claim a tax deduction for is the reduced contribution amount remaining with us. If you intend to claim a tax deduction, you can let us know by completing the online form in Member Online or send us a completed Notice of Intent to Claim a Tax Deduction form ato.gov.au and we'll send you confirmation to include with your tax return. Visit ato.gov.au for more information.

If you're aged 67 or over you'll need to meet the Work Test¹ in order to claim a tax deduction on voluntary after-tax contributions. This eligibility requirement will be assessed by the Australian Taxation Office (ATO) when you submit your income tax return. The contribution you're claiming a tax deduction on must have been received by Australian Retirement Trust prior to the 28th day after the end of the month you turned 75 years old.

If Yes, and you intend to claim a tax deduction for contributions you made to your Additional accumulation account, you'll need to let us know using the online form in **Member Online** before submitting this form. Or you can complete a Notice of Intent to Claim a Tax Deduction form from ato.gov.au to submit with this withdrawal request. Please also indicate the relevant financial year here:

How would you like your Income account invested?

Tell us below how you'd like your Income account invested. Your Privacy – Personal Information Collection Notice

The purpose for which we collect your information is to provide superannuation benefits, administer your benefits, and provide related services, information, and offers to you. This includes processing your application, managing your participation in Australian Retirement Trust, providing you with information about your benefits and our available services, and ensuring you receive your entitlements.

We will generally collect your personal information directly from you, your authorised representatives, your employer or other third parties, such as the Australian Taxation Office (ATO). If the information we request is not provided, we may be unable to properly administer your benefits and notify you about your entitlements.

We may disclose your personal information to entities within the Australian Retirement Trust Group, our service providers and advisers, medical and health professionals, regulators and government bodies, or to other third parties if we need to or if you have given consent to the disclosure. This includes but is not limited to the Fund's administration service provider, insurers, auditors and legal advisers. We also might be required by law to disclose information about you, for example to government bodies such as the ATO. We may also disclose information to thirdparty service providers in various countries, as described in our Privacy Policy.

For more information, please read our Privacy Policy which sets out the types of information we collect and how we collect, hold, use and disclose your personal information. Our Privacy Policy also describes how you can access information about your benefit and personal details, correct any information which is inaccurate or out-of-date, and information on our privacy complaints process. We are committed to respecting the privacy of personal information you give us. Our Privacy Policy may be updated from time to time and is available at **art.com.au/privacy** or by contacting us.

Providing your tax file number (TFN):

Under the *Superannuation Industry (Supervision) Act 1993*, Australian Retirement Trust is authorised to collect, use and disclose your tax file number.

Australian Retirement Trust may disclose your tax file number to another superannuation provider, when your benefits are being transferred, unless you request the trustee of your superannuation fund in writing that your tax file number not be disclosed to any other superannuation provider.

Declining to quote your tax file number to Australian Retirement Trust is not an offence. However giving your tax file number to Australian Retirement Trust will have the following advantages:

- Australian Retirement Trust will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to
 - this affects both contributions to your superannuation and benefit payments when you
 start drawing down your superannuation benefits; and
- it will make it much easier to find different superannuation accounts in your name so that you
 receive all your superannuation benefits when you retire.
