### **Confirming your identity**

Before you're able to withdraw money from your super account, by law, Australian Retirement Trust needs to verify your identity.

As part of the electronic verification process, we will submit your document details (for example, your driver's licence number) to third party credit reporting agencies (CRAs) and/or the Australian Government's Document Verification Service (DVS) for the purpose of confirming your identity. The DVS checks whether the information you provide matches the original records held by the relevant authorities. A CRA may check your information against the DVS and/or against records in your credit information file.

We will only use the information you provide to verify your identity and not for any other purpose. A CRA does not give us access to your credit related information, such as credit card and loan applications.

More information about the DVS is available on the Australian Government's IDMatch website at **www.idmatch.gov.au**. More information on how we electronically verify your identity and your rights is available in our Proof of Identity Requirements factsheet available at **art.com.au/poi** 

By checking this box, I confirm I am authorised to provide the personal details presented. I confirm I have read and understood the process for verifying my identity and my rights in the Proof of Identity Requirements factsheet and consent to my information being verified electronically via submission to the DVS and/or a CRA.

If you prefer not to be verified electronically and you do not consent to us verifying your identity using the DVS or via a CRA, we may verify your identity in other ways but this may take longer. Refer to our Proof of Identity Requirements factsheet at art.com.au/poi for instructions on how to prove your identity using your identity documents.

1. You can use up to a maximum of 50% of your Defined Benefit (less any Offset account balance) in addition to your Additional accountlation account balance to open an Income account. You must use the balance of your Additional accumulation account **first** before you can access your Defined Benefit, and you can only access your Defined Benefit once per financial year. Refer to the Super Savings – Corporate Defined Benefit Handbook for details.

2. If you wish to keep your Additional Death and Total & Permanent Disability (TPD) insurance cover on your APSS Super Savings – Corporate Defined Benefit account, you'll need to ensure there is enough money in your Additional accountation account to pay for any future insurance premiums and you will need to make at least one eligible contribution every 12 months or advise us in writing via art.com.au/keep-my-insurance that you wish to retain your insurance cover.

I want to cancel my Additional Death and TPD insurance cover and transfer my entire Additional accumulation account balance to my Income account.

## 5 Claiming a tax deduction

Note: If you intend to claim a tax deduction for voluntary after-tax contributions paid to your Additional accumulation account, it's important you let us know before you start your Income account. A request to claim a tax deduction is not valid if we have started to pay an income stream using any of the contribution. Separately, if you make a partial withdrawal or transfer, the maximum amount you can later claim a tax deduction for is the reduced contribution amount remaining with us. If you intend to claim a tax deduction, you can let us know by completing the online form in Member Online or send us a completed Notice of Intent to Claim a Tax Deduction form from ato.gov.au and we'll send you confirmation to include with your tax return. Visit ato.gov.au for more information.

If you're aged 67 or over you'll need to meet the Work Test¹ in order to claim a tax deduction on voluntary after-tax contributions. This eligibility requirement will be assessed by the Australian Taxation Office (ATO) when you submit your income tax return. The contribution you're claiming a tax deduction on must have been received by Australian Retirement Trust prior to the 28th day after the end of the month you turned 75 years old.

Are you claiming a tax deduction for any personal contributions?

YES

If Yes, and you intend to claim a tax deduction for contributions you made to your Additional accumulation account, you'll need to let us know using the online form in **Member Online** before submitting this form. Or you can complete a Notice of Intent to Claim a Tax Deduction form from ato.gov.au to submit with this withdrawal request. Please also indicate the relevant financial year here:

Relevant Financial Year (YYYY/YYYY):

1 You must work at least 40 hours over a period of 30 consecutive days, during the income year the contributions were made (or during the previous financial year, under a one-off exemption available to members with a 'total superannuation balance' under \$300,000).

Under the Superannuation Industry (Supervision) Act 1993, Australian Retirement Trust is authorised to collect, use and disclose your tax file number.

Declining to quote your tax file number to Australian Retirement Trust is not an offence. However giving your tax file number to Australian Retirement Trust will have the following advantages:

- Australian Retirement Trust will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to

   this affects both contributions to your superannuation and benefit payments when you
