3 Bank account details and consent to verify identity

*Before you're able to withdraw money from your super account, by law, Australian Retirement Trust needs to verify your identity. In the event we receive a request that relates to changing bank account details we need to ensure the request has been initiated by the account owner. This is why we request that you provide us with a certified copy of your driver's licence or passport.

With your consent, Australian Retirement Trust can use Equifax IDMatrix to verify your identity electronically. This program uses data held in places such as the Electoral roll, White pages, Department of Transport, the Passport Office, and Equifax credit information files to verify your details.

This includes consent for the personal information you have provided, such as name, date of birth and residential address, to be verified against personal information contained in your credit information file. Note that Australian Retirement Trust will not access your credit related information such as credit card and loan applications.

If you don't want us to be able to verify your identity electronically if required, that's fine too. Make sure you read the information at art.com.au/id for acceptable identification documents and certification requirements.

By checking this box, I consent to my identity being verified electronically. I acknowledge that the document details I provide as evidence of my identity will be checked with the relevant body.

Please supply a copy of your bank statement which must be less than 12 months old and show your BSB number, your account number, the name on the account and your address.

AND I have attached:

a copy of a document prepared by my Australian bank or credit union showing my BSB number, account number, account name and address, and is no more than 12 months old.

Important: For us to pay your benefit into your Australian bank or credit union account we require you to provide a document from them, such as a statement or online statement. The document must be current and no more than 12 months old and show your BSB, account number, account name and address. A copy of the original document can be accepted and doesn't need to be certified. Your payment cannot be processed via direct transfer without this.

Money cannot be paid into a credit card account, third party account or an overseas account. We will take care to ensure your money is paid in accordance with details you have provided. However, we accept no responsibility for any loss which occurs as a result of incorrect account details you provide us.

If the bank or credit union rejects the payment of your money, or if you don't provide proof of your account, we'll pay you by cheque and it may take longer than payments made electronically.

We'll update your details as soon as we can. However, it's important to make sure you give us all of the information and documents we need to do this.
