In the event we receive a request that relates to changing bank account details we need to ensure the request has been initiated by the account owner. This is why we request that you provide us with a certified copy of your driver's licence or passport.

With your consent, Australian Retirement Trust can use Equifax IDMatrix to verify your identity electronically. This program uses data held in places such as the Electoral roll, White pages, Department of Transport, the Passport Office, and Equifax credit information files to verify your details.

Note that Australian Retirement Trust will not access your credit related information such as credit card and loan applications.
