Insurance solutions

You have access to flexible cover to keep you protected 24 hours a day, 7 days a week if something unfortunate were to happen to you. You also have the added advantage of cover being provided through a corporate plan with Standard cover (subject to eligibility) and limited circumstances in which health evidence is required.

You can use your insurance benefits to help pay your credit card bills, cover your mortgage, pay the rent or cover the unexpected medical treatment you may need. Also in the unfortunate event of your death, insurance can help to ensure your family's financial future is secure.

As there's no “one size fits all” with insurance, you have the flexibility to make sure your cover is right for you. Australian Retirement Trust offers easy ways for you to change your cover, apply for Additional cover or cancel your cover. You have two options available to ensure you and your family are adequately covered.

Standard cover	Additional cover
Automatic cover for eligible members with no medical questions unless you exceed the AAL	An application form with medical and lifestyle questions
Permanent employees have a choice of four levels of Death and Total & Permanent Disability cover	Choose your own level of cover

Important eligibility criteria

Australian Government reforms restrict when super funds can provide automatic insurance cover to members. This restriction is designed to help protect members' retirement savings from erosion by insurance premiums for insurance cover you may not want or need.

Under the Putting Members' Interests First reforms, we generally cannot automatically provide Standard cover to new members before they attain age 25 and their account balance reaches \$6,000. These age and balance requirements are now a key component of the eligibility criteria for you to automatically receive Standard cover.

However, you have the option to opt-in to Standard cover before meeting age 25 and the \$6,000 account balance requirement (subject to meeting the other eligibility conditions). Refer to the section Opt-in for insurance cover for more details.

Who pays for your insurance?

The premiums for cover are calculated weekly and deducted monthly from your Super Savings – Corporate Accumulation account.

There are two insurance classifications:

- White Collar, and
- Blue Collar.

Your employer can advise you of your insurance classification.

1. Standard Death and Total & Permanent Disability cover

If you are an eligible employee you will automatically receive default Death and Total & Permanent Disability cover up to a maximum of \$1,500,000, unless you decide to opt-out of cover.

Permanent employees also have the flexibility to choose one of the following levels of Death and Total & Permanent Disability cover:

Level 1:

$7.5\% \times \text{Salary} \times \text{Years of Future Membership}$ (to age 67)

Level 2:

$12.5\% \times \text{Salary} \times \text{Years of Future Membership}$ (to age 67)

Level 3:

$17.5\% \times \text{Salary} \times \text{Years of Future Membership}$ (to age 67)*

Level 4:

$22.5\% \times \text{Salary} \times \text{Years of Future Membership}$ (to age 67)

* default (automatic) level of cover

Your specific level and type of cover will be detailed in your Welcome booklet and each year in your Annual Statement and Annual Insurance Summary.

Your Standard cover will normally start from the date you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000 (subject to meeting the other eligibility conditions), unless you opt-in to Standard cover sooner.

The amount of insurance cover provided is recalculated each 1 April based upon your updated *Salary* and *Years of Future Membership*, unless we advise you otherwise. Your premium is recalculated on or around 1 April each year. *Salary* is the amount advised to Australian Retirement Trust by your employer.

If you are on *Unpaid Leave* or parental leave, *Salary* is the amount advised to Australian Retirement Trust by your employer on the previous 1 April or on date of commencement (whichever is more recent) immediately before starting leave, unless we advise you otherwise.

Opt-in for insurance cover

If you would like to obtain Standard cover before attaining age 25 and reaching an account balance of \$6,000, please select the "Opt-in for insurance cover" option in Member Online, or by ticking the box on your Membership application form.

Member Online is available at australianretirementtrust.com.au/memberonline and you can obtain a copy of the Membership application form at portal.australianretirementtrust.com.au/hansonau

For information on when cover starts please refer to the *When does my Standard Death and Total & Permanent Disability cover start?* section in this Corporate Insurance Guide.

Limited Cover will apply in the following circumstances,

- if you opt-in for insurance within 120 days of joining your employer and you are not *At Work* on the date cover starts, your cover will be provided as *Limited Cover* until you have been *At Work* for 30 consecutive days,
- if you opt-in for insurance cover outside of 120 days of joining your employer, your Standard cover will be provided as *Limited Cover* for 12 months¹ and subject to a 30-consecutive day *At Work* requirement after the end of the 12-month period to remove the limitation.

If you opt-in for insurance cover outside of 120 days of joining your employer, you will not be eligible to claim where your Death, Terminal Illness or Total & Permanent Disability results from suicide or any intentional self-inflicted act within 12 months of cover starting.

1. Where you joined the Plan within 120 days of the date you joined your employer, if you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000 before the expiration of the 12 month *Limited Cover* period, this limitation will be removed subject to you being *At Work* on the date you meet both the age and balance requirements. If you are not *At Work* on that date, cover will remain *Limited Cover* until you have been *At Work* for 30 consecutive days.

Change your level of cover

Eligible employees can choose to increase their Standard Death and Total & Permanent Disability cover without the need to provide health and lifestyle information.

Permanent employees have a choice of four levels of Death and Total & Permanent Disability cover. Your various options were detailed previously.

You have 120 days from the date you join your employer to apply to increase your Standard cover without the need to provide evidence of health. You can make your insurance election by selecting the appropriate level of cover on your Membership application form.

For information on when cover starts please refer to the *When does my Standard Death and Total & Permanent Disability cover start?* section.

If you make an insurance election outside 120 days of joining your employer you will need to complete a Change of insurance cover form. Any application for insurance cover outside of 120 days is subject to acceptance by the insurer. Satisfactory evidence of health may be required.

If you do not make an election, the default cover generally does not start until you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000, unless you opt-in to Standard cover sooner.

Note that if you reduce your level of cover and subsequently wish to increase your level of cover at a later date, you will be required to apply for Additional cover which is subject to acceptance by the insurer and evidence of health may be required. See the *Additional cover* section for further details.

What is Total & Permanent Disability cover?

The intention of Total & Permanent Disability cover is to provide a payment to you should you suffer an injury or illness that permanently prevents you from working to retirement age.

Total & Permanent Disability insurance cover is available to you regardless of your working hours or the basis on which you are employed (subject to satisfying eligibility criteria).

In the event of a claim your capacity to work is assessed by the insurer and is determined by your ability to perform any reasonably suitable occupation based on all of your education, training or experience, not just your usual occupation or the job you were performing when you become injured or ill.

When reviewing your education, training or experience, the insurer may consider, for example, the level of schooling you completed, further studies undertaken since then and any subsequent qualifications or certifications you have obtained, the transferable skills and abilities you have acquired through any work you have undertaken (both paid and unpaid) as well as any of your hobbies and interests.

Depending on the type of illness or injury there is a 3-month waiting period before a Total & Permanent Disability claim becomes assessable.

If you are totally and permanently disabled and you are eligible for a total and permanent disablement benefit, the payment will be paid to you as a single lump sum.

What happens if you believe you are totally and permanently disabled?

As a profit-for-members fund, we're here to help, support and guide you through the claims process so you don't feel confused or overwhelmed.

If you believe that you may be eligible to apply for a Total & Permanent Disability claim, we are here to help you along the way.

In order to lodge a claim you would need to be under the care of a *Medical Practitioner* and still suffering from an ongoing if and serious injury or illness that is permanently preventing you from working ever again. Refer to the *Total & Permanent Disability* definition in the *Definitions* section.

Our Claims Representatives are here to help you every step of the way and will confirm your eligibility to lodge a claim. Following lodgement of your claim application, the insurer will assess whether your claim is successful. The assessment process takes into account the *Total & Permanent Disability* definition at the *Date of Disablement*, and the impact that your injury or illness will have on your ability to work again.

What benefits are paid out if you are totally and permanently disabled?

If you are totally and permanently disabled and meet the *Total & Permanent Disability* definition, your Total & Permanent Disability cover as at the *Date of Disablement* will be payable. You may also be able to access your Super Savings – Corporate Accumulation account balance.

Any Total & Permanent Disability benefit payment is subject to acceptance of the claim by the insurer.

Payment of a Total & Permanent Disability benefit will reduce the Death cover by the amount paid as a Total & Permanent Disability benefit. Any Death cover in excess of the Total & Permanent Disability cover will still continue in a Super Savings Accumulation account while you continue to pay premiums and have an account.

In limited circumstances you will not be eligible to claim on the Standard Death and Total & Permanent Disability insurance cover through Australian Retirement Trust. Refer to the section *Am I eligible for Standard Death and Total & Permanent Disability cover?* and the definition of *Employed* in the *Definitions* section.

What happens in the event of a specified Medical Condition?

If you do experience one of the specified *Medical Conditions* listed below, and meet the definition, you may be paid a lump sum benefit equal to your Total & Permanent Disability cover amount at the *Date of Disablement*.

To qualify for a single lump sum benefit payment due to a *Medical Condition* you must have one of the following:

- Primary Pulmonary Hypertension
- Major Head Trauma,
- Motor Neurone Disease
- Multiple Sclerosis
- Muscular Dystrophy
- Dementia and Alzheimer's Disease
- Parkinson's Disease
- Chronic Lung Disease
- Cardiomyopathy
- Paraplegia (including Quadriplegia, Hemiplegia, and Tetraplegia)

For more details refer to the *Definitions* section for *Medical Conditions*, and *Total & Permanent Disability – Suffering a specifically defined medical condition and permanently unable to work because of that condition*.

Payment of a total and permanent disability benefit

If you are eligible to receive a Total & Permanent Disability benefit, the insurer will pay the benefit (less any applicable tax) to your Super Savings – Corporate Accumulation account where it will be invested in the Cash investment option.

We will then contact you for payment instructions. Should we not receive payment instructions within 28 days, the payment will be invested as per your current investment strategy.

When would a health questionnaire be required?

A health questionnaire will be required if:

- your Standard cover is over \$1,500,000,
- you have previously cancelled your cover and want to reapply, or
- you choose to apply for Additional cover.

In addition, a full health assessment may also be required if requested by the insurer.

Remember you may have a condition that does not impede your day-to-day activities but may affect your risk assessment with the insurer.

Bring your current cover with you

You may be eligible to transfer existing Death and Total & Permanent Disability, Death only or Total & Permanent Disability only cover up to \$2,000,000 to the Hanson Australia Superannuation Plan.

To apply to transfer your existing cover please complete and return the *Transfer of insurance cover* form, available at portal.australianretirementtrust.com.au/hansonau

It's important you include all required documentation, which will include:

- a letter or certificate of currency from your superannuation fund or insurance provider detailing your current insurance cover,
- details of any visits to medical specialists in the previous twelve months,
- details of any loadings, exclusions and restrictions applicable to that cover, and
- the confirmation must have been issued within 30 days of your application.

If accepted by the insurer:

- you will continue to be subject to any individual loadings, exclusions and restrictions applicable to the cover that was transferred,
- you will need to cancel the cover you had under your previous fund or policy, and
- your transferred cover will be fixed and in addition to your Standard cover.

If you are thinking about transferring your existing insurance cover, make sure you compare the features and benefits, and are accepted by the insurer, before cancelling your existing cover.

Transferred cover will start on the date your application is accepted by the insurer.

Interim Accident Cover

Where you are not entitled to Standard Death and Total & Permanent Disability cover or you choose to apply for Additional cover, up to 90 days interim Accidental Death and/or Accidental Total & Permanent Disability cover will apply immediately from the date we receive your completed Change of insurance cover form.

The Interim Accident Cover ends on the earlier of acceptance, deferral or rejection of your application for cover or the expiry of the 90-day period.

The amount of Interim Accident Cover is the lesser of the amount of Additional Death and/or Total & Permanent Disability cover you are applying for or \$2,000,000.

No premium is charged for the Interim Accident Cover.

The Interim Accident Cover available to you is determined by the type of cover available in the Plan and the cover you are applying for.

No interim accident benefit will be paid during the interim period if a Death, Total & Permanent Disability claim is caused directly or indirectly by engaging in any sport or pastime that the insurer would not normally cover at standard rates or terms, or where a benefit exclusion applies (refer to the *Conditions & exclusions* section in this Corporate Insurance Guide).

If you do not have enough money in your Super Savings – Corporate Accumulation account to pay premiums, you will be notified of the conditions that apply to you.

Additional Total & Permanent Disability cover reduces from age 61

From age 61, your Additional Total & Permanent Disability cover reduces annually by 10% of your insured benefit at age 60, until your 67th birthday when cover ceases. Your premiums are adjusted accordingly. An example is shown below. If you have \$200,000 of Total & Permanent Disability cover at age 60, your cover will reduce as follows:

Age ¹	TPD ² cover
60	\$200,000
61	\$180,000
62	\$160,000
63	\$140,000
64	\$120,000
65	\$100,000
66	\$80,000
67	Nil

1. The insurance cover is recalculated based on your age at 1 April. Your premium is recalculated based on your updated cover on or around this date.

2. TPD means Total & Permanent Disability.

If your cover commenced after age 60, any Additional Total & Permanent Disability cover will reduce at a rate greater than 10% per annum. This will be consistent with any reduction had your cover commenced prior to age 60.

An example of how to calculate Additional Death and Total & Permanent Disability premiums

James is 29 years old, he needs Additional cover. He is a White Collar permanent employee and decides to apply for \$100,000 of Additional Death cover and \$200,000 of Additional Total & Permanent Disability cover. If accepted by the insurer, James' premiums for Additional cover will be as follows:

$$\begin{aligned} & \text{(Additional Death only cover / \$10,000) x Death premium rate / 52} \\ & \text{plus} \\ & \text{(Additional TPD¹ only cover / \$10,000) x TPD¹ premium rate / 52} \\ & (\$100,000 / \$10,000) \times \$4.30 / 52 \\ & + \\ & (\$200,000 / \$10,000) \times \$1.82 / 52 = \$1.53 \text{ per week} \end{aligned}$$

1. TPD means Total & Permanent Disability.

Note: Rounding variations may occur when calculating premiums. The weekly premiums displayed above are rounded up to the next whole cent.

Premiums for insurance cover are deducted from your Super Savings – Corporate Accumulation account. Premiums for partial weeks are not pro-rated.

For full details on premium rates, refer to the *Premiums* section of this Corporate Insurance Guide.

Conditions & exclusions

When does Death and Total & Permanent Disability insurance cover stop?

Cover will stop when:

- you turn 67 for Standard Death cover,
- you turn 67 for Standard Total & Permanent Disability cover,
- you turn 70 for Additional Death cover,
- you turn 67 for Additional Total & Permanent Disability cover,
- you die,
- you receive a Total & Permanent Disability insurance benefit,
- you cancel the cover,
- you are paid a Terminal Illness benefit which is not less than the amount of the Death and/ or Total & Permanent Disability benefit,
- you withdraw all monies from your Super Savings – Corporate Accumulation account,
- the policy issued to the Trustee is cancelled or terminated for any reason,
- you start duty in the military services of any country (except the Australian Armed Forces Reserve as long as you are not on active duty outside Australia),
- you are **Employed** under a working visa and the term of the working visa expires, or you permanently depart Australia (whichever is earlier),
- Contribution Inactivity - your Super Savings – Corporate Accumulation account has not received an **Eligible Contribution** in the last 12 months or more and you have not elected in writing to keep your cover¹, or
- Zero account balance - the premium is due and there is not enough money in your Super Savings – Corporate Accumulation account to pay the premiums and the premiums remain unpaid for 4 months.

1. Where we have valid contact details, we will contact you advising the date your cover will stop. If you wish for your cover to continue even if no *Eligible Contributions* are made to your account for continuous periods of 12 months or longer, you can advise us in writing or visit australianretirementtrust.com.au/keep-my-insurance. Make sure you consider the impact of premiums on your account balance.

Restrictions and exclusions on Additional cover

There is a benefit exclusion that applies for 12 months after acceptance of the Additional insurance cover to any claim resulting from suicide or any intentional self-inflicted injury.

This means the Death and/or Total & Permanent Disability cover that is accepted by the insurer will not be paid for a suicide or intentional self-inflicted injury related claim in the 12 month period from the date that your Additional cover is accepted by the insurer.

Can Death and Total & Permanent Disability cover restart if it ceases?

If your insurance cover automatically stops because of:

- Contribution Inactivity; or
- Zero Account Balance,

then Standard cover based on the default option will automatically restart upon receipt of a Superannuation Guarantee contribution, and only if you have also met the Standard cover eligibility criteria of attaining age 25 and your account balance reaching \$6,000.

You also have the option to advise us in writing to restart the insurance cover that was stopped due to Contribution Inactivity. This written request must be received within 60 days of the cover stopping. We will restart the type and amount of cover you had as at the date of the automatic cancellation from the date your written request for reinstatement is received.

Any cover that is reinstated will be provided as **Limited Cover** until you have been **At Work** for 30 consecutive days.

If you have previously requested a cancellation of your cover, your cover will **not** automatically restart. Should you wish to restart cover in this instance, you will be required to complete an application that may be subject to health and lifestyle assessment, and acceptance by the insurer.

Note: You will not be able to make a claim for the period between when your cover stopped and when your cover restarted.

What happens if you have a Terminal Illness?

In summary, Terminal Illness means that you are suffering from a sickness or injury that is likely to result in your death within 12 months.

If your Death cover is in force, subject to providing all the required documentation to support your claim and approval by the Trustee and insurer, which includes certification of the **Terminal Illness** by two **Medical Practitioners** (one being a specialist physician in the particular medical field), you will be paid a Terminal Illness benefit.

If you have Death cover and the insurer accepts your claim for Terminal Illness, the benefit paid is the amount of your account balance plus the amount of your Death cover in force at the most recent certification (up to a maximum of \$5 million).

The remaining amount of Death cover (if any) is then your total Death cover, less the amount of insurance paid by the insurer on account of the Terminal Illness benefit. Your beneficiaries will then receive this in the event of your death.

If you have received or are eligible to receive a Terminal Illness benefit or **Terminal Medical Condition** payment from Australian Retirement Trust or another fund or insurer when you join Australian Retirement Trust, you will not be eligible for Death or Total & Permanent Disability cover with Australian Retirement Trust.

What benefits are paid out if you die?

Your Death benefit is the amount of your superannuation account balance plus the total amount of Death cover. In the event of your death, your Death benefit may be paid to your nominated beneficiaries (subject to Trustee discretion — unless you have a binding death benefit nomination).

Any Death benefit is subject to acceptance of the claim by the insurer.

General exclusions

- active military service

A Death, Terminal Illness or Total & Permanent Disability benefit will not be paid if the sickness or injury arises from you being deployed to a hostile environment as part of active military service.

- suicide or intentional self-inflicted injury

Within 12 months of:

- the start of your Standard Death and Total & Permanent Disability cover where your cover is subject to a 12 month *Limited Cover* period, or
- the start of your Additional Death and Total & Permanent Disability cover,

you will not be eligible to claim where your death or total & permanent disability results from suicide or from an intentional self-inflicted injury. For more information please refer to the *Opt-in for insurance cover* and *When does my Standard Death and Total & Permanent Disability cover start?* sections in this Corporate Insurance Guide.

2. Income Protection cover

The intention of Income Protection insurance cover is to provide you with ongoing income and financial support, should you become temporarily unable to work due to an injury or illness. It can give you the peace of mind that you have income that can help pay your expenses while you focus on your health and recovery.

If you are employed and working at least 15 hours a week, you may be eligible for cover.

You may be able to lodge a claim for a *Total Disability* benefit, *Limited Total Disability* benefit or *Partial Disability* benefit if you are unable to work due to injury or sickness.

If you are working at least 15 hours per week before getting injured or sick, a *Total Disability* assessment will be based on your inability to do one of the major duties of your regular occupation, which involves at least 20% of your occupational tasks and meet other requirements.

If you are working on average less than 15 hours per week in the three (3) months before becoming injured or sick, you will be assessed against the *Limited Total Disability* definition (as set out in the *Definitions - Income Protection* section of this Corporate Insurance Guide).

You will generally be covered for up to 75% of the income you were earning prior to becoming disabled; this is known as your monthly benefit. We will support you to return to work, by providing occupational rehabilitation where applicable.

Where you are working in a reduced capacity while on claim and earning less due to injury or illness and satisfy other requirements (as set out in the *Definitions - Income Protection* section of this Corporate Insurance Guide), you may be able to claim a partial disability benefit to assist with your transition back to work in a full capacity.

If you are paid a monthly benefit it will generally be reduced where you receive other disability benefits, such as workers compensation or benefits from other income protection policies. This prevents you from receiving more income than you earned before you were injured or became ill.

The *Waiting Period* is the length of time you must be injured or ill before a benefit may be payable. The *Benefit Period* is the maximum period you can claim benefits whilst you are *Totally Disabled*, *Limited Totally Disabled*, or *Partially Disabled*.

Standard Income Protection cover is automatically provided to eligible permanent employees, unless you decide to opt-out of cover.

How does Income Protection cover work?

Income Protection cover provides:

- a replacement monthly income of up to 75% of your *Pre-Disability Salary* (less offsets),
- for a *Benefit Period* up to 2 years, after a 90-day *Waiting Period*.

If you're an eligible employee, you will automatically receive this amount of Income Protection cover up to \$156,000 per annum for the default *Benefit Period* of 2 years, unless you decide to opt out of cover. This is known as the Automatic Acceptance Limit (AAL).

Your specific benefit amount and weekly premium will be detailed in your Welcome booklet and each year in your Annual Statement and Annual Insurance Summary. Australian Retirement Trust will let you know what is required if Standard cover is not available to you or your cover is over the AAL.

Your Income Protection cover will normally start from the date you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000 (subject to meeting the other eligibility conditions), unless you opt-in to Standard cover sooner.

Things to consider

- Premiums generally increase with age.
- Income Protection benefits are taxable income and may be subject to Pay As You Go (PAYG) tax. If applicable, an income statement will be issued by the insurer at the end of the financial year.
- You may also have the added advantage of insurance premiums offsetting your 15% contributions tax liability.
- An Income Protection benefit is not paid during the *Waiting Period*.

Opt-in for insurance cover

If you would like to obtain cover before attaining age 25 and reaching an account balance of \$6,000, please select the "Opt-in for insurance cover" option in Member Online or by ticking the box on your Membership application form.

Member Online is available at australianretirementtrust.com.au/memberonline and you can obtain a copy of the Membership application form at portal.australianretirementtrust.com.au/hansonau

For more information on when cover starts please refer to the *When does my insurance cover start?* section in this Corporate Insurance Guide.

Limited Cover will apply to your cover in the following circumstances, if

- you opt-in for insurance within 120 days of joining your employer and you are not *At Work* on the date cover starts, your cover will be provided as *Limited Cover* until you have been back *At Work* for 30 consecutive days, and
- you opt-in for insurance cover outside of 120 days of joining your employer, your Standard cover will be provided as *Limited Cover* for 12 months¹ and subject to a 30-consecutive day *At Work* requirement after the end of the 12-month period to remove this limitation.

1. Where you joined the Plan within 120 days of the date you joined your employer, if you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000 before the expiration of the 12 month *Limited Cover* period, this limitation will be removed subject to you being *At Work* on the date you meet both the age and balance requirements. If you are not *At Work* on that date, cover will remain *Limited Cover* until you have been *At Work* for 30 consecutive days.

Waiting Period and Benefit Period

The *Waiting Period* and *Benefit Period* determine when a claim payment commences and the maximum length of time a benefit is payable.

The *Waiting Period* is the number of continuous days which must elapse before becoming eligible to claim a benefit. The *Waiting Period* commences from the date a *Medical Practitioner* certifies you are *Totally Disabled* or *Limited Totally Disabled* and unable to work as determined by the insurer. Benefit payments will commence when the *Waiting Period* ends and are paid monthly in arrears.

The *Benefit Period* is the maximum length of time that a claim will be paid for.

Premium waiver

Your Income Protection premiums will be waived whilst you are in receipt of monthly benefit payments.

Once you stop receiving benefit payments, deduction of the Income Protection premiums will recommence being drawn from your Super Savings – Corporate Accumulation account.

Partial Disability payments

A reduced monthly Income Protection benefit may be payable if you become *Partially Disabled*.

Where you are unable to work at full capacity due to sickness or injury, and

- following a period of *Total Disability* or *Limited Total Disability* for seven (7) out of the first ten (10) working days of the *Waiting Period*, you are continuously disabled for the remainder of the *Waiting Period*, and
- you have returned to work in your usual or an alternative occupation, and
- your monthly income is less than your *Pre-Disability Salary*, and
- you are under the care of, and complying with the reasonable advice given by a *Medical Practitioner*.

We will pay a partial disability monthly benefit. The benefit payable is calculated in accordance with the following formula.

$[(A - B) \times C] / A$ where:

A is your *Pre-Disability Salary*

B is your actual *Salary* during the month of *Partial Disability*

C is the Monthly Benefit

Am I eligible for Standard Income Protection cover?

You are eligible for Standard Income Protection cover if:

- you join the Plan,
- you have attained age 25 and your account balance has reached \$6,000 or you have opted in to Standard cover before you attain age 25 and/or before your balance reaches \$6,000¹, and
- you are under the age of 65,
- you are *Permanently employed* (including employees on fixed term contracts of six months or more) and working at least 15 hours per week for your employer,
- your employer is making superannuation contributions to a Super Savings – Corporate Accumulation account on your behalf,
- you are an Australian citizen, permanent resident or holder of a working visa which enables you to work in Australia, unless otherwise agreed by the insurer, and
- you meet the specified eligibility criteria established by your employer.

You are not eligible for Standard Income Protection cover if:

- you are under the age of 15,
- you have previously received or are eligible to receive a Total & Permanent Disability benefit or Terminal Illness benefit or a benefit for *Permanent Incapacity* or *Terminal Medical Condition* from Australian Retirement Trust or any other fund or insurer, or
- you have previously cancelled the Plan's Standard insurance cover.

If you're not eligible to opt-in or automatically receive Standard cover, you can apply for cover at any time. Applications are subject to acceptance by the insurer and evidence of health may be required. Simply complete and return the Change of insurance cover form.

1. If you opt-in outside 120 days of starting work with your employer, your cover will be provided as *Limited Cover* for 12 months and subject to a 30-consecutive day *At Work* requirement after the end of the 12-month period to remove the limitation.

Where you joined the Plan within 120 days of the date you joined your employer, if you attain age 25 and your Super Savings – Corporate Accumulation account balance reaches \$6,000 before the expiration of the 12 month *Limited Cover* period, this limitation will be removed subject to you being *At Work* on the date you meet both the age and balance requirements. If you are not *At Work* on that date, cover will remain *Limited Cover* until you have been *At Work* for 30 consecutive days.

Example of how an Income Protection benefit is paid:

Fiona has a 90-day *Waiting Period*. Her benefit will be payable from day 91 subject to acceptance by the insurer. As benefit payments are paid monthly in arrears her first benefit payment will be made one month later.

If you're on leave for reasons other than sickness or injury you are still generally considered to be *At Work*.

If you're not eligible to opt-in or automatically receive Standard cover, you can apply for cover at any time. Applications are subject to acceptance by the insurer and evidence of health may be required. Simply complete and return the Change of insurance cover form. This form is available at portal.australianretirementtrust.com.au/hansonau

Does my cover change each year?

Your Income Protection cover is based on your **Salary**. Your annual premium is based on your cover and remains unchanged until 1 April the next year, unless we advise you otherwise. Refer to the *Definitions* section for the definition of **Salary** for Income Protection cover.

How is my Salary determined?

Salary is the amount advised to Australian Retirement Trust by your employer on the previous 1 April or on date of commencement (whichever is more recent), unless we advise you otherwise.

If you are on *Unpaid Leave* or parental leave, **Salary** is the amount your employer advised immediately before starting leave, unless we advise you otherwise.

In the event of a claim, your benefit will be based on your **Pre-Disability Salary** at the date you become **Totally Disabled** or **Limited Totally Disabled**. For more details please refer to the section *What benefit is paid out?* in this Corporate Insurance Guide.

An example of how to calculate Income Protection premiums

Karen is 30 years old when she joins the Plan. She is a permanent employee on a **Salary** of \$60,000 p.a. She is working at least 15 hours per week and is eligible for Income Protection cover.

(\$45,000 / \$1,000) x \$1.05 / 52	\$0.91

Blue Collar permanent employee

(Cover / \$1,000) x premium rate / 52	Weekly premium
(\$45,000 / \$1,000) x \$1.96 / 52	\$1.70

Note: Rounding variations may occur when calculating premiums. The weekly premiums displayed above are rounded up to the next whole cent.

Premiums for insurance cover are deducted monthly from your Super Savings – Corporate Accumulation account. Premiums for partial weeks are not pro-rated. For full details of Income Protection premiums, refer to the *Premiums* section of this Corporate Insurance Guide.

Interim Accident Cover

Where you choose to apply for Income Protection cover, up to 90 days interim Accidental Income Protection cover will apply immediately from the date we receive your completed Change of insurance cover form.

The Interim Accident Cover ends on the earlier of acceptance, deferral or rejection of your application for cover or the expiry of the 90-day period.

No premium is charged for the Interim Accident Cover.

No interim accident benefit will be paid during the interim period if a disability is caused directly or indirectly by engaging in any sport or pastime that the insurer would not normally cover at standard rates or terms, or where a benefit exclusion applies (refer to the *Conditions & exclusions* section in this Corporate Insurance Guide).

The Interim Accident Cover available to you is determined by the type of cover available in the Plan and the cover you are applying for.

Refer to the *Definitions* section of this Corporate Insurance Guide for the definition of *Accident*.

When does Income Protection cover stop?

Income Protection cover stops when:

- you cease employment with your employer,
- you turn 65,
- you die,
- you cancel the cover,
- you withdraw all monies from your Super Savings – Corporate Accumulation account,
- you no longer satisfy the eligibility conditions for Income Protection cover,
- your period of *Unpaid Leave* or parental leave exceeds 24 months,
- you cease employment with your Australian based employer while overseas,
- the policy issued to the Trustee is cancelled or terminated for any reason,
- you start duty in the military services of any country (except the Australian Armed Forces Reserve as long as you are not on active duty outside Australia),
- you are *Employed* under a working visa and the term of the working visa expires, or you permanently depart Australia (whichever is earlier),
- Contribution Inactivity - your Super Savings – Corporate Accumulation account has not received an *Eligible Contribution* in the last 12 months or more and you have not elected in writing to keep your cover¹, or
- Zero account balance - the premium is due and there is not enough money in your Super Savings – Corporate Accumulation account to pay the premiums and the premiums remain unpaid for 4 months.

1. Where we have valid contact details, we will contact you advising the date your cover will stop. If you wish for your cover to continue even if no *Eligible Contributions* are made to your account for continuous periods of 12 months or longer, you can advise us in writing or visit australianretirementtrust.com.au/keep-my-insurance. Make sure you consider the impact of premiums on your account balance.

Can Income Protection cover restart if it ceases?

If your insurance cover automatically stops because of:

- Contribution Inactivity; or
- Zero Account Balance,

Your Optional Income Protection will **not** automatically restart.

You have the option to advise us in writing to restart the insurance cover that was stopped due to Contribution Inactivity. This written request must be received within 60 days of the cover stopping. We will restart the type and amount of cover you had as at the date of the automatic cancellation from the date your written request for reinstatement is received.

Any cover that is reinstated will be *Limited Cover* until you are *At Work* for 30 consecutive days.

If you have previously requested a cancellation of your cover, your cover will **not** automatically restart. Should you wish to restart cover in this instance you will be required to complete an application that may be subject to health and lifestyle assessment, and acceptance by the insurer.

Note: You will not be able to make a claim for the period between when your cover stopped and when your cover restarted.

What benefit is paid out?

An Income Protection benefit is payable if you are *Totally Disabled*, *Partially Disabled* or meet the *Limited Total Disability* definition after the *Waiting Period* has ended. The maximum *Total Disability* or *Limited Total Disability* benefit is the lower of:

- your insured amount less any offsets,
- 75% of your *Pre-Disability Salary* (less any offsets), and
- the maximum level of Income Protection cover available of \$600,000 per annum.

The total claim payment period for any one illness or injury is limited to your *Benefit Period*.

If your claim is accepted, benefit payments will commence when the *Waiting Period* ends and are paid monthly in arrears. A reduced monthly Income Protection benefit may be payable if you become *Partially Disabled*. The benefit may also be reduced by income received by alternate income sources, refer to offsets detailed below.

Benefits paid under the Income Protection benefit may be subject to Pay As You Go (PAYG) tax. This will be deducted prior to payment.

Whilst on claim Income Protection premiums are waived. Any claim for your Income Protection benefit is assessed independently of any Total & Permanent Disability claim.

When we won't pay a benefit

It is important to understand in what circumstances an Income Protection benefit is not payable. A benefit won't be paid if the sickness or injury is caused, wholly or partly, directly or indirectly, from:

- deliberate self-inflicted injury or suicide, or attempted suicide or self-destruction while sane or insane,
- uncomplicated pregnancy, childbirth or miscarriage,
- you being deployed to a hostile environment as part of active military service,
- a criminal act committed by you, or
- any other exclusions imposed by the insurer.

A benefit won't be paid where a fraudulent claim is made.

Will there be offsets to my benefit payment?

Your Income Protection benefit payment will be reduced by the following payments:

- (i) all benefits or other payments (whether lump sum, periodic or otherwise) which are paid, or are required to be paid, in relation to the injury or illness, under any:
 - (a) workers' compensation, motor accident compensation or similar legislation or scheme;
 - (b) statute, or as damages under common law (whether or not modified by statute), for loss of income, loss of earning capacity or any other economic loss (including any benefits or payments for work injury damages), whether paid as a lump sum or not; and
- (c) other income protection insurance policies;
- (ii) any paid sick leave received by you at the same time the insurer is paying a benefit. However you are not required to exhaust your sick leave balance prior to receiving a benefit payment; and
- (iii) any other loss of income, loss of earning capacity or any other economic loss component of a lump sum payment paid or required to be paid in relation to the injury or illness (other than a total and permanent disablement or terminal illness benefit paid to you).

If an amount is commuted (or will be commuted) to a lump sum, for the purposes of the offset calculation the lump sum will be converted to a monthly amount at the rate of 1/60th of the lump sum per month over a period of 60 months.

Payment of benefits

The insurer will pay monthly benefits directly to you with a maximum payment of 75% of *Pre-Disability Salary* (less any offsets). Generally Income Protection benefit payments are taxable income and subject to Pay As You Go (PAYG) tax. If applicable, an income statement will be issued by the insurer at the end of the financial year.

You will be assessed against the *Total Disability, Limited Total Disability* or *Partial Disability* (as applicable) definition. If your claim is accepted, payments (monthly in arrears) will start when the *Waiting Period* finishes. If a payment is for part of a month, then it will be calculated on the basis of 1/30 of the monthly benefit amount for each day the benefit is payable.

The Income Protection benefit is subject to a maximum level based on your *Pre-Disability Salary* before you become *Totally Disabled* or *Limited Totally Disabled*. If you are on *Unpaid Leave* or parental leave, your benefit is based on your most recent *Pre-Disability Salary* accepted by the insurer immediately prior to starting leave.

Proof of income

In the event of a claim, proof of income is required to ensure your benefit does not exceed 75% of your *Pre-Disability Salary* at the first day of absence from active employment due to sickness or injury resulting in *Total Disability* or *Limited Total Disability*.

What happens if I return to work during the Waiting Period?

You can return to work for up to 10 days during the *Waiting Period* without having to restart the *Waiting Period*. If you do return to work, the days returned to work will extend your original *Waiting Period* by the number of days returned to work. If you return for longer than specified, your *Waiting Period* will restart.

Recurrent event

Following a claim, if you make a further claim arising from the same or related cause as the first claim, the further claim will be:

- treated as a separate claim if it occurred after you returned to work for at least six continuous months, or
- deemed to be a continuation of the original claim if made within six months from the end of payments from the earlier claim. A further *Waiting Period* will not apply in this case but the relevant *Benefit Period* will be adjusted to take into account prior benefits paid under this policy for the original claim.

Concurrent event

Where you are *Totally Disabled*, *Limited Totally Disabled* or *Partially Disabled* because of more than one injury or sickness, or from both, whether related or not, benefits are payable in respect of only one injury or sickness, as the insurer shall reasonably determine, based on medical evidence.

When does payment of the benefit stop?

Benefit payments start after the end of the *Waiting Period*, and will cease upon the earliest of any of the following events:

- you no longer satisfy the definition of *Total Disability*, *Limited Total Disability* or *Partial Disability*, as assessed by the insurer,
- the end of the benefit payment period,
- for a *Partial Disability* benefit, the date you earn, or become capable of earning, a monthly salary equal to or greater than your *Pre-Disability Salary*,
- you are no longer under the care of, and or complying with the reasonable advice given by a *Medical Practitioner*,
- you reaching age 65, or
- your death.

The benefit will be paid even if the insurer assesses you to be totally and permanently disabled. Providing you were an insured member at the time you finished work due to the sickness or injury that gave rise to a claim, monthly income benefits will be payable or continue to be paid provided you continue to be eligible to receive a benefit, regardless of whether you continue to be a member of Australian Retirement Trust.

Other important information

Can your health affect your insurance cover?

If you wish to apply for cover above the AAL or require Additional cover (including Optional Income Protection cover), when assessing your application for cover the insurer may ask for further details in relation to the information you disclose in your application.

As a condition of acceptance of the Additional cover, the insurer may apply a loading (a higher premium) for the increased amount of cover. The insurer may also specify a benefit exclusion that will apply if a claim for the increased amount of insurance is related to a specified condition or pastime.

Any premium loadings or benefit exclusions will be advised to you as a Special Acceptance offer. You will be required to either accept or decline the offer within 30 days. If no response is received from you it will be deemed that you have declined this offer. Interim Accident Cover will apply until the terms are accepted or declined. If you do not respond to the Special Acceptance offer within 30 days the application will be cancelled and Interim Accident Cover will cease.

If you accept the terms of this offer, your increased cover will start on the date you accept the Special Acceptance offer.

Commencement of cover is also subject to you having sufficient money in your Super Savings – Corporate Accumulation account to pay insurance premiums. If you do not have enough money in your Super Savings – Corporate Accumulation account to pay premiums, you will be notified of the conditions that apply to you.

Change in circumstances

Different people will have different needs depending on their individual circumstances. You may need more cover, or you may not want to cover yourself at all. It is important that you review your insurance needs and check that you are adequately covered. To help you work out your insurance needs, call us on **13 11 84**.

Can I nominate a beneficiary?

In the unfortunate event of your death, the Trustee of Australian Retirement Trust is required to pay your Death benefit to your beneficiaries, or where there are no eligible beneficiaries, to any person who has a fair claim. For your Super Savings – Corporate Accumulation account you can complete either:

- a binding death benefit nomination – this allows you to nominate who will receive your superannuation benefits in the event of your death and ensures that the Trustee is legally bound by your wishes. Claims are generally processed faster when a valid binding death benefit nomination is in place, or
- a preferred beneficiary nomination – this is used by the Trustee as a guide when deciding who should receive your Death benefit. There may be restrictions on who the benefit can be legally paid to. There may also be lengthy investigations to determine who the benefit should be paid to.

Refer to the Super Savings Accumulation Guide for more information.

What happens if I am staying with my current employer, but my Superannuation Guarantee (SG) contributions are redirected?

If your SG contributions are redirected to another fund, the special arrangements you have with the Hanson Australia Superannuation Plan will end on the last day of the period for which contributions were made.

Any cover you had immediately prior to redirecting your SG contributions will continue as *Fixed Cover* in a Super Savings Accumulation account. However, your administration fees and insurance premiums may alter from the amounts you were paying in the Hanson Australia Superannuation Plan.

To be eligible to continue your cover in a Super Savings Accumulation account, you must ensure regular contributions are paid. You must let us know if you wish to cancel your insurance cover.

If you already have a Super Savings Accumulation account, your cover will be replaced by the higher of your existing Super Savings Accumulation account cover and the cover provided under your Super Savings – Corporate Accumulation account. The replacement of cover will take effect from the date your SG contributions are redirected.

Visit australianretirementtrust.com.au/pds for a copy of the Super Savings PDS for Accumulation Account.

Insurance cover for Super Savings Accumulation accounts is provided through group life policies issued by AIA Australia Limited ABN 79 004 837 861 AFSL NO. 230043 to the Trustee of Australian Retirement Trust.

What happens if I leave my employer?

When we are told you have left your employer your membership in the Hanson Australia Superannuation Plan will cease as well as any special arrangements. Your membership will be transferred to a Super Savings Accumulation account.

Shortly after Australian Retirement Trust receives notification we will contact you to advise you of your options:

- There will be no change to your investment choice, however the Administration fees may vary, any change will take effect from the date of transfer,
- Effective from the date you cease employment with Hanson Australia your insurance premiums and insurance fee may vary from the amounts you were paying in the Plan and will be payable in full by you. Additional fees may also apply. Any changes to your insurance will be back dated to the date you left employment.
- Any Death and Total & Permanent Disability cover you had at the time of leaving your employer will continue in a Super Savings Accumulation account as Tailored Death and/or Total & Permanent Disability cover on a *Fixed Cover* basis. This means your amount of insurance stays the same but your premiums will generally increase as you get older.
- If you have left your employer as a result of illness or injury, *Limited Cover* will apply until you have been *At Work* for 30 consecutive days.
- If you already have a Super Savings Accumulation account, your cover will be replaced by the higher of your existing Super Savings Accumulation account cover and the cover provided under your Super Savings – Corporate Accumulation account. The replacement of cover will take effect the date you cease employment with your employer.
- If you have elected to 'Keep My Cover' this election will continue to apply to cover provided in your Super Savings Accumulation account.
- If your account does not receive an *Eligible Contribution* for a period of 12 months or more, your cover will normally cease 12 months after your last *Eligible Contribution*.

Your Income Protection cover will cease.

Your Income Protection cover may be able to be reinstated without evidence of health if:

- You are actively employed and work at least 15 hours per week,
- You apply for reinstatement within 60 days of us being notified of you leaving your employer,
- You have not left your employer as a result of illness or injury,
- You supply us proof of your new employment and occupational status, and
- You complete the Insurance transfer application form, available at australianretirementtrust.com.au/insurance-forms

Upon acceptance by the insurer, your Income Protection cover will be reinstated. The same level of cover, *Benefit Period* and *Waiting Period* will apply. If you have not applied within 60 days of us being notified of you ceasing employment, you will need to apply for Tailored Income Protection cover and evidence of health may be required.

To be eligible to continue cover you must ensure regular contributions will be paid into your Super Savings Accumulation account.

You must let us know if you wish to cancel your cover.

If you don't want Standard or Additional cover, or you just want to reduce your cover, you need to let us know, otherwise the premiums will continue to be deducted from your Super Savings – Corporate Accumulation account each month. The cancellation or reduction will be effective from the date your instruction is received by Australian Retirement Trust.

If you cancel your cover, evidence of health satisfactory to the insurer will be required before cover can restart from the date approved by the insurer or if Special Conditions apply, the date you accept the Special Conditions.

Your duty to take reasonable care not to make a misrepresentation

About your duty

When you apply for life insurance as a member of Australian Retirement Trust, the insurer may conduct a process called underwriting. It's how the insurer decides whether it will cover you, and if so on what terms and at what cost. If your application is underwritten, you will be asked questions which the insurer needs to know the answers to. These will be about your personal circumstances and may include questions about your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you provide in response to the questions is vital to the insurer's decision.

The duty to take reasonable care

When applying for insurance which is to be underwritten, you have a legal duty to take reasonable care not to make a misrepresentation before your application is accepted by the insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth. This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Please note that there may be circumstances where the insurer later investigates whether the information you provided was true. For example, the insurer may do this when a claim is made.

Guidance for answering questions

When answering questions as part of an application for insurance cover, you should:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us or the insurer before you respond.
- Answer every question.
- Answer truthfully, accurately and completely.
- If you are unsure about whether you should include information or not, you should include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), you should check every answer (and if necessary, make any corrections) before the application is submitted.
- You must not assume that Australian Retirement Trust or the insurer will contact your doctor for any medical information.

Changes before your cover starts

Before your application is accepted, the insurer may ask about any changes that mean you would now answer the questions differently. As any changes might require further assessment or investigation, it could save time if you let us or the insurer know about any changes when they happen.

If you need help

It's important that you understand this information and the questions that you are asked. Ask us or the insurer for help if you have difficulty understanding the process of applying for insurance or answering our or the insurer's questions. If you're having difficulty due to a disability, understanding English or for any other reason, we are here to help and can provide additional support for anyone who might need it.

What can the insurer do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to the insurer. These are set out in the *Insurance Contracts Act 1984* (Cth). These are intended to put the insurer in the position they would have been in if the duty had been met.

For example, the insurer may:

- Avoid the cover (treat it as if it never existed);
- vary the amount of the cover; or
- vary the terms of the cover.

Whether the insurer can exercise one of these remedies depends on a number of factors, including:

- Whether you took reasonable care not to make a misrepresentation (this depends on all of the relevant circumstances);
- what the insurer would have done if the duty had been met – for example, whether they would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before the insurer exercises any of these remedies, they will explain their reasons, how to respond and provide further information, including what you can do if you disagree.

Special offers

Information on special offers may be available on our website from time to time. If we make a special offer, we will provide you with separate terms and conditions about the offer on request. Special offers may only be available to you for a short time and we may withdraw them at any time.

Overseas travel and approved leave

Total premiums (including stamp duty) will continue to be deducted from your Super Savings – Corporate Accumulation account during the period of leave. It is your responsibility to ensure sufficient monies are in your Super Savings – Corporate Accumulation account during the period of leave to pay your premiums.

If you cancel your cover while on leave, you will need to reapply for cover on returning to work. Evidence of health satisfactory to the insurer will be required before cover can restart from the date accepted by the insurer.

What happens during Unpaid Leave or parental leave?

Your Death and Total & Permanent Disability cover will continue.

Your Income Protection cover will stop after 24 months. You can reapply for cover upon returning to work. Evidence of health satisfactory to the insurer will be required before cover can restart from the date accepted by the insurer.

Warning: If your account does not receive an *Eligible Contribution* for at least a 12 month period and you haven't informed us in writing that you wish to keep your insurance cover, your cover will normally cease 12 months after your last *Eligible Contribution*.

What happens if you travel overseas on paid leave?

Where you travel overseas while on paid leave from your Australian-based employer (or an international subsidiary or associated company of your Australian employer), your cover continues with no travel restrictions.

If you become disabled whilst overseas you may be required to return to Australia, at your own expense, for assessment.

What happens if you reside overseas?

Your cover will continue while you reside overseas as long as you remain in the active employment of your Australian-based employer (or an international subsidiary or associated company of your Australian employer).

If you become disabled while based overseas you may, at your own expense be required to return to Australia for assessment of any disability claim.

Warning: If your account does not receive an *Eligible Contribution* for at least a 12 month period and you haven't informed us in writing that you wish to keep your insurance cover, your cover will normally cease 12 months after your last *Eligible Contribution*.

What happens if you are Employed under the terms of a work visa?

Employees employed under the terms of a work visa are eligible for Standard insurance cover and may apply for Additional cover.

Income Protection cover whilst temporarily residing overseas

Where you temporarily reside overseas during a period of *Unpaid Leave* your Income Protection cover may continue for up to 24 months. After 24 months your Income Protection cover will stop (refer to the *Definitions* section for the definition of *Unpaid Leave*). If you reside overseas and you have received six months of benefit payments, your benefit payments will cease.

Warning: If your account does not receive an *Eligible Contribution* for at least a 12 month period and you haven't informed us in writing that you wish to keep your insurance cover, your cover will normally cease 12 months after your last *Eligible Contribution*.

3. Premiums

How is the premium for Standard and Additional cover calculated and when is it paid?

The premium rates for the Plan are generally based on a number of factors including:

- the number of insured members in the Plan,
- the age, gender and occupational mix of the Plan, and
- the claims history of the Plan.

The premiums include a 5% insurance fee to offset Australian Retirement Trust's costs of providing the cover.

The cost of your cover depends on the amount and type of cover you have, your age and gender, stamp duty (where applicable) and the premium rates applying to the Plan. Premiums for cover in addition to the Standard insurance cover you receive automatically may also depend on your health at the time you applied and were accepted for the Additional cover.

Generally your insurance premiums are recalculated annually on or around 1 April, unless agreed otherwise with the insurer.

Your insurance premiums are calculated as a weekly figure and deducted monthly from your Super Savings – Corporate Accumulation account.

From time to time, our insurer may need to change premium rates, which may result in an increase or decrease to your premiums.

1. TPD means Total & Permanent Disability

The Death only premiums shown above for ages 67 to 69 apply to Additional Death cover only. With Fixed cover, Total & Permanent Disability cover reduces annually by 10% of your insured benefit at age 60, from age 61, until your 67th birthday when cover ceases. The above premiums for Death & Total & Permanent Disability cover reflect the reduced Total & Permanent Disability cover. Rounding variations may occur when calculating premiums.

Facts about making a claim

Let us help you

As a profit-for-members fund, we're here to help support and guide you through the claims process so you don't feel confused or overwhelmed.

At Australian Retirement Trust, we understand that making a claim can sometimes be a stressful and difficult process. We understand that the circumstances of every claim are as different as the individuals making them.

To help you and your family through this difficult time, we have experienced Claims Representatives that can assist and guide you through the claims process from start to finish.

All our Claims Representatives are trained to understand and explain our claims process. Once you make the initial contact with us to commence a claim, you will be assigned an individual Claims Representative to help you through the rest of the process and answer your questions.

We'll do everything in our power to ensure all eligible claims are paid as quickly as possible.

Easy online service

Australian Retirement Trust has an online *Claims Eligibility Tool*, that allows you to contact us at your earliest convenience 24 hours a day, 7 days a week.

The online *Claims Eligibility Tool*, allows you to notify Australian Retirement Trust of your need to claim, provides you with information of your type of cover and any claim requirements, and allows you to lodge your claim electronically via *eClaims*.

eClaims allows you to lodge and monitor your claim online. It also provides third parties (i.e. employers and doctors) with the capability to complete and submit claim information directly online for the insurer to assess.

Both the *Claims Eligibility Tool* and *eClaims* are designed to help simplify the process and reduce the time taken to finalise your claim. You can always contact us on **13 11 84** – We're here to help.

Want to know more about:

- Making a claim
- How a claim is assessed

We have developed a guide to help step you through the various claims processes.

Visit australianretirementtrust.com.au/claim for more information on making a claim.

Do you need a lawyer to assist with your claim?

Every insurance claim is different. Our claim process has been designed so that in most cases you or your family should not need the assistance of a lawyer when making a claim with Australian Retirement Trust. Our experienced Claims Representatives are here to assist you with your claim throughout the whole process.

However, if you wish to engage the services of a lawyer to assist with your claim you can do so at any time.

Remember, we are here to help, so call us on **13 11 84** if you have any questions about how to make a claim.

How to make a claim

While we do hope that you never need to, the following information will assist you in understanding the claim process in the event that you do need to make a claim. Any claim process will involve:

- notification to us,
- gathering information and providing it to us,
- assessment of the insurance claim by the insurer,
- assessment by the Trustee of Australian Retirement Trust, including determination of the beneficiary/s,
- decision by the Trustee of Australian Retirement Trust, and
- payment of the claim, if approved.

These steps do take some time, although our experienced Claims Representatives will help you at every stage of the process.

Further information may be requested at different stages of the process, and with Disability claims you may be required to undergo an examination by a *Medical Practitioner* or professional of the insurer's choice. The insurer will usually meet the costs associated with any additional information requests.

Death claims

It is important that in the event of your death, Australian Retirement Trust is notified by a relative or legal personal representative to enable the claims process to begin. Once we receive formal notification of your death, your Super Savings – Corporate Accumulation account balance will normally be transferred to the Cash investment option. Any insurance benefit paid into your Super Savings – Corporate Accumulation account will also be invested in the Cash investment option, and will remain invested there until the Trustee finalises payment of your death benefit.

Disability claims

Australian Retirement Trust should be notified as soon as reasonably possible after an event that is likely to give rise to a disability or *Terminal Illness* claim. Depending on the type of illness or injury there is a 3-month waiting period before a Total & Permanent Disability claim becomes assessable, and a 90-day *Waiting Period* applicable to you in the event of an Income Protection claim.

If you don't have insurance with us, you may still be able to claim your super balance under a *Permanent Incapacity* benefit. If you are suffering from a *Terminal Medical Condition* you may also be able to access your super balance. Please contact Australian Retirement Trust on **13 11 84** to discuss these options.

Claims after your cover has stopped

If an event occurs before the date your cover stops or is terminated, and that event entitles you to make an insurance claim, you may still be eligible for that payment

If your claim is declined

If your claim is declined by the insurer your claim will be referred to the Trustee of Australian Retirement Trust for review and consideration.

If the Trustee of Australian Retirement Trust declines your claim and you disagree with this decision you can either:

- lodge a complaint with Australian Retirement Trust. Your complaint will be investigated, and if the decision to decline your claim is confirmed by Australian Retirement Trust, you can refer your complaint to the Australian Financial Complaints Authority (AFCA), or
- lodge a complaint directly with AFCA, however AFCA may refer your complaint back to Australian Retirement Trust.

There are time limits on when you can make a complaint to AFCA about a Total & Permanent Disability claim. Call AFCA on 1800 931 678 or visit their website www.afca.org.au for more information about these time limits.

AFCA's contact details are as follows:

4. Definitions - Total & Permanent Disability

It is important that you understand the Total & Permanent Disability definition and the factors that can impact the payment of a benefit. The following statements are here to assist your understanding of the Total & Permanent Disability definition.

Ongoing medical care - you are required to be under the ongoing care of and following the advice recommended by your treating doctor.

Already receiving disability support payments - you are not automatically entitled to a total & permanent disability benefit where you are eligible to access your superannuation balance because of permanent incapacity or you have received benefits from Centrelink (for example a Disability Support Pension) or workers compensation. You must meet the applicable *Total & Permanent Disability* definition.

How is your prior education, training and experience taken into account? - your Total & Permanent Disability definition is based on your capacity to perform any suitable occupation based on all your education, training or experience and not just your own occupation. It will not be limited to the occupation or job you were doing immediately prior to your disablement.

The time period over which your education, training or experience is considered depends on which part of the *Total & Permanent Disability* definition applies to you. The insurer will consider all your education, training or experience up to the end of any waiting period (as set out in the definition).

Working on a part-time basis - your ability to participate in part-time work, regular casual work or lower paid work after you become injured or ill may disqualify you from receiving a total & permanent disability benefit payment even if you were working full time prior to your disablement.

Work availability - the availability or desirability of suitable work in your immediate area is not a relevant consideration - it is only your capacity to perform work that is the determining factor.

How will your benefit be paid - If you are eligible for a Total & Permanent Disability benefit, this will be paid to you as a single lump sum payment.

Total & Permanent Disability means:

Loss of limbs and/or sight

As a result of an injury or sickness you have suffered, at the *Date of Disablement*, the total and irrecoverable loss of:

- (i) the use of two limbs; or
 - (ii) the use of the sight of both eyes; or
 - (iii) the use of one limb and the sight of one eye (where limb is defined as the whole hand or the whole foot);
- or
- (iv) you have suffered *Cognitive Impairment* which requires you to be under the continuous care and supervision of another adult person for at least three (3) consecutive months and, at the end of that three (3) month period, you are likely to require permanent ongoing continuous care and supervision by another adult person (this has a three (3) consecutive month waiting period);

and

the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unable ever again to be gainfully employed in your usual occupation, or any occupation for which you are reasonably suited by education, training or experience;

or

Unable to do a suited occupation ever again

Where, solely by reason of an injury or illness:

- (i) you are unable to perform your occupational duties based on the work performed at the time of disablement by reason of an injury or sickness for a period of three (3) consecutive months since the *Date of Disablement* as a result of the injury or sickness; and
- (ii) you are under the care of, and following the advice of, a registered *Medical Practitioner*; and
- (iii) the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unable ever again to be gainfully employed in your usual occupation, or any other occupation for which you are reasonably suited by education, training or experience;

or

Suffering a specifically defined medical condition and permanently unable to work because of that condition

Where you are absent from all work and have been certified by a *Medical Practitioner* as being unable to perform your occupational duties since the *Date of Disablement*:

- (i) solely as a result of suffering one or more of the following listed Medical Conditions; Primary Pulmonary Hypertension, Major Head Trauma, Motor Neurone Disease, Multiple Sclerosis, Muscular Dystrophy, Dementia and Alzheimer's Disease, Parkinson's Disease, Chronic Lung Disease, Cardiomyopathy, or Paraplegia (including Quadriplegia, Hemiplegia and Tetraplegia), and
- (ii) the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unable ever again to be gainfully employed in your usual occupation, or any occupation for which you are reasonably suited by education, training or experience.

5. Definitions - Income Protection

It is important that you understand the Income Protection definitions and the factors that can impact the payment of an Income Protection benefit. The following statements are here to assist your understanding of the Income Protection definition.

Ongoing medical care - to remain eligible for Income Protection benefits, you are required to be under the care of and following the advice recommended by your treating doctor.

Working more than 15 hours per week - a *Total Disability* assessment will be based on your inability to perform at least one of the major duties of your usual occupation. A major duty is any work task which accounts for at least 20% of your overall occupational tasks. Where you return to paid work (even in a different job or occupation), you will no longer be eligible for a total disability benefit, however you may be eligible to claim a partial disability benefit subject to meeting the relevant definition.

Working less than 15 hours per week - a *Limited Total Disability* assessment will be based on your inability to perform any suitable occupation, based on all of your education, training or experience, not just your occupation at the time you became injured or sick.

You may be eligible for a Partial Disability benefit - where you have been *Totally Disabled* or *Limited Totally Disabled* and return to work in a reduced capacity and have a reduced income as a result of your illness or injury. You must be *Totally Disabled* or *Limited Totally Disabled* for 7 out of the first 10 working days of your waiting period to be eligible for a *Partial Disability* benefit.

Occupational rehabilitation support - where appropriate, our insurer will work with you, your doctor and your employer to encourage and support you through occupational rehabilitation (including workplace modifications). Participating in occupation rehabilitation is voluntary and will not impact your monthly benefit.

Already receiving disability support payments - your *Total Disability*, *Partial Disability* or *Limited Total Disability* benefit may be reduced if you also receive payments from other sources (for example workers' compensation, sick leave or from other Income Protection policies).

Ongoing assessment - Income Protection claims are assessed on a monthly basis over the duration of your benefit period. You will need to periodically provide ongoing evidence to support your claim.

Maximum period you could be paid - the benefit period is the maximum length of time that you will receive a monthly benefit whilst you continue to remain *Totally Disabled*, *Limited Totally Disabled* or *Partially Disabled*. Your payments will stop when your benefit period ends, even if your disability continues.

Totally and permanently disabled - your monthly benefit will not be impacted if you are paid a *Total & Permanent Disability* benefit from Australian Retirement Trust or any other superannuation fund.

Total Disability or Totally Disabled

Total Disability means that, as a direct result of illness or injury, you are:

- (i) continuously and completely unable to perform at least one of the major duties of your usual occupation based on the work performed at the time of illness or injury, and
- (ii) under the regular care of and complying with the reasonable advice given by a registered *Medical Practitioner* in respect of that illness or injury, and
- (iii) not in any occupation for which a person would normally expect to receive remuneration or profit.

A major duty is an income-producing duty of your regular occupation, which involves at least 20% of your overall occupational tasks.

For those on *Unpaid Leave*, the above definition applies for up to 24 months while you are on *Unpaid Leave* if you were working an average of 15 hours or more per week in the 3 months immediately prior to going on *Unpaid Leave*.

Partial Disability or Partially Disabled

Partial Disability means that, following a period of *Total Disability* or *Limited Total Disability* (where applicable) for seven (7) out of the first ten (10) working days of the *Waiting Period* and while you continue to be either *Totally Disabled*, *Limited Totally Disabled* or Partially Disabled during the *Waiting Period* you:

- (i) have returned to work in your usual or an alternative occupation, and
- (ii) are under the care of and complying with the reasonable advice given by a registered *Medical Practitioner*, and
- (iii) as a result of the disability, you have suffered and continue to suffer loss of income as a direct result of the sickness or injury.

Limited Total Disability or Limited Totally Disabled

Limited Total Disability means that, as a result of sickness or injury, you:

- (i) have been incapacitated to such an extent as to render yourself unable to engage in your usual occupation or any occupation for which you are reasonably suited by education, training and experience, and
- (ii) remain under the regular care, attendance and following the advice of a registered *Medical Practitioner* in relation to that sickness or injury, and
- (iii) are not engaged in any occupation (whether paid or unpaid).
