Here's just some of the benefits you will receive if you join the MetLife Superannuation Plan:

Discounted administration fees

As a profit-for-members fund, we're committed to returning profits to members as lower fees and better services. Fees and costs matter when it comes to your super and your future wealth. The less you pay in fees on your super account, the more money you'll have to live your retirement dreams. As a member of the MetLife Superannuation Plan you will be eligible for discounted administration fees. **The administration fees in the MetLife Superannuation Plan are paid in part by your employer.** The table below sets out the administration fees and costs payable in the MetLife Superannuation Plan:

Type of fee	Amount	How and when paid
Administration fees and costs	\$1.20 per week	Paid by your employer
	plus 0.08% of the first \$800,00 of your account balance only	Generally deducted from your account balance weekly
	plus 0.07% p.a. not deducted from your account balance	Deducted from the Fund's general reserve

The investment fees and transaction costs that apply to you depend on the option(s) you're invested in and are deducted daily from your investment option(s) as part of the calculation of the unit price. Other fees and costs may apply. For full details please refer to the Accumulation Guide available at portal.australianretirementtrust.com.au/metlifeau. More information about administration fees and costs can be found in your Super Savings - Corporate Product Disclosure Statement available at portal.australianretirementtrust.com.au/metlifeau

Employer paid insurance cover

We know the right insurance cover can help make sure you and your family are protected should the worst happen. On joining Australian Retirement Trust, if you're eligible, you'll automatically receive Standard Death and Total & Permanent Disability cover. **The premiums for your Standard cover are paid for by your employer.** You also can tailor your cover to suit your needs.
