Here's just some of the benefits you will receive if you join the Cerebral Palsy Alliance Superannuation Plan:

Lower fees and costs

As a profit-for-members fund, we strive to keep our fees and costs low so we can pass on the savings to you. The less you pay in fees on your super account, the more money you'll have to live your retirement dreams. The table below sets out the administration fees and costs payable in the Cerebral Palsy Alliance Superannuation Plan:

Type of fee	Amount	How and when paid
Administration fees and costs	\$1.20 per week plus 0.10% p.a. of the first \$800,000 of your account balance only	Generally deducted from your account balance weekly
	plus 0.07% p.a. not deducted from your account balance	Deducted from the Fund's general reserve

The investment fees and transaction costs that apply to you depend on the option(s) you're invested in and are deducted daily from your investment option(s) as part of the calculation of the unit price. Other fees and costs may apply. For full details please refer to the Accumulation Guide available at portal.australianretirementtrust.com.au/cpa. More information about administration fees and costs can be found in your Super Savings – Corporate Product Disclosure Statement available at portal.australianretirementtrust.com.au/cpa

On joining Australian Retirement Trust, if you're a Supported employee, you'll automatically receive Standard Death cover. **A key feature of your plan is that your employer pays the premium for Standard Death cover.** You also can tailor your cover to suit your needs.
