## Insurance solutions

You have access to flexible cover to keep you protected 24 hours a day, 7 days a week if something unfortunate were to happen to you. You also have the added advantage of cover being provided through a corporate plan with Standard cover (subject to eligibility) and limited circumstances in which health evidence is required.

You can use your insurance benefits to help pay your credit card bills, cover your mortgage, pay the rent or cover the unexpected medical treatment you may need. Also in the unfortunate event of your death, insurance can help to ensure your family's financial future is secure.

If you belong to a group who transferred from the previous Oracle Plan on 1 May 2023 you may have different insurance arrangements than those outlined in this Corporate Insurance Guide. You will have been notified in writing of any differences that apply to your insurance (if any).

As there's no "one size fits all" with insurance, you have the flexibility to make sure your cover is right for you. Australian Retirement Trust offers easy ways for you to change your cover, apply for Additional cover or cancel your cover. You have two options available to ensure you and your family are adequately covered.

Standard cover	Additional cover
Automatic cover for eligible members with no medical questions unless you exceed the AAL	An application form with medical and lifestyle questions Choose your own level of cover

## Important eligibility criteria

Australian Government reforms restrict when super funds can provide automatic insurance cover to members. This restriction is designed to help protect members retirement savings from erosion by insurance premiums for insurance cover you may not want or need.

Under the *Putting Members' Interests First* reforms, rules around when cover can be automatically provided changed. Some restrictions may also apply if you leave your employer or redirect your Superannuation Guarantee contributions.

## Who pays for your insurance?

An important feature of this plan is that Oracle Corporation Australia Pty Ltd pays the premium for your Standard cover. Premiums for any Additional Death and Total & Permanent are automatically deducted from your Super Savings - Corporate Accumulation account each month. Any premiums paid by your employer count towards the concessional contributions cap. Breaching this cap may have tax implications for you. Refer to Section 2 - *How super works* and Section 4 - *How super is taxed*, of the Super Savings Accumulation Guide for more information.

# 1. Standard cover for Permanent employees working 15 hours or more per week

If you are an eligible employee you will automatically receive default Death and Total & Permanent Disability cover up to a maximum of \$1,250,000, unless you decide to opt-out of cover.

Permanent employees working 15 hours or more per week are provided the following insurance cover:

5 x *Base Salary*

Your specific level and type of cover will be detailed in your Welcome booklet and each year in your Annual Statement.

Your Standard Death and Total & Permanent Disability cover will normally start on the earlier of:

- the date you joined your employer, if an election to join the Plan is made within 120 days of commencing with your employer, or
- the date an election is made to join the Plan and your employer has made superannuation contributions to Australian Retirement Trust on your behalf.

The amount of insurance cover provided is recalculated each 1 September based upon your updated *Base Salary*, unless we advise you otherwise. Your premium is recalculated on or around 1 September each year. *Base Salary* is the amount advised to Australian Retirement Trust by your employer.

If you are on *Unpaid Leave* or parental leave, *Base Salary* is the amount advised to Australian Retirement Trust by your employer on the previous 1 September or on date of commencement (whichever is more recent) immediately before starting leave, unless we advise you otherwise.

## Need to know your level of cover

Just log into [australianretirementtrust.com.au/memberonline](http://australianretirementtrust.com.au/memberonline). If you're not signed up for Member Online — it's simple — just contact us on 13 11 84 and we'll get you set up in no time.

## Special Conditions applicable to Permanent employees working 15 hours or more per week

If you move from being a Permanent employee working 15 hours or more per week to a Permanent employee working less than 15 hours per week your cover will become Standard Death cover only, and any Standard Total & Permanent Disability cover you had will cease.

## Standard Total & Permanent Disability cover reduces from age 55

Once you reach age 55, the 'multiple of *Base Salary*' used to calculate your Standard Total & Permanent Disability cover reduces annually until your 64th birthday when cover ceases. Your premiums are adjusted accordingly.

The example below assumes your Standard cover is \$500,000 (5 x a *Base Salary* of \$100,000) and your *Base Salary* remains unchanged over the period.

Age <sup>1</sup>	Multiple of Base Salary	TPD <sup>2</sup> cover
54	5	\$500,000
55	4.5	\$450,000
56	4	\$400,000
57	3.5	\$350,000
58	3	\$300,000
59	2.5	\$250,000
60	2	\$200,000
61	1.5	\$150,000
62	1	\$100,000
63	0.5	\$50,000
64	Nil	Nil

1. The amount of insurance cover is recalculated based on your age and *Base Salary* on 1 September. Your premium is recalculated based on your updated cover, on or around this date.

2. TPD means Total & Permanent Disability.

## An example of Standard Death and Total & Permanent Disability cover

James is 29 years old when he joins the Plan. He is a Permanent employee working over 15 hours per week and is on a *Base Salary* of \$50,000 p.a. James is eligible for Standard Death and Total & Permanent Disability cover.

### Insurance cover

5 x <i>Base Salary</i>	Standard cover
5 x \$50,000	\$250,000

### Weekly premium

(Standard cover / \$10,000) x premium rate / 52	Weekly premium for Standard cover
(\$250,000 / \$10,000) x \$0.29 / 52	\$0.14

**Note:** Rounding variations may occur when calculating premiums. The weekly premiums displayed above are rounded up to the next whole cent.

The cost of Standard cover is met by your employer. The cost of any Additional cover held is deducted from your Super Savings - Corporate Accumulation account.

Premiums for partial weeks are not pro-rated.

For full details on premium rates, refer to the *Premiums* section of this Corporate Insurance Guide.

For more information refer to the *Definitions* section of this Corporate Insurance Guide, this includes the definition of *Limited Cover* and *Actively Employed*.

## What is Limited Cover?

*Limited Cover* generally means you're only covered for illness or injury that first manifests after the date cover commenced. For more information on *Limited Cover* refer to the *Definitions* section of this Corporate Insurance Guide.

## When does my Standard cover start?

The following table outlines when your cover will start and the conditions applicable to that cover.

Insurance cover or option	Requirements for insurance cover to start	Insurance cover start date
<b>Standard Death and Total &amp; Permanent Disability cover</b>	You elect to join the Plan.	Your cover will normally start on the earlier of: <ul style="list-style-type: none"><li>• the date you joined your employer, if an election to join the Plan is made within 120 days of commencing with your employer, or</li><li>• the date an election is made to join the Plan and your employer has made superannuation contributions to your Super Savings - Corporate Accumulation account on your behalf.</li></ul>

*Limited Cover* will apply to automatic Standard cover in the following circumstances, if

- you joined the Plan within 120 days of joining your employer and you are not *Actively Employed* on the date cover starts, your Standard cover will be provided as *Limited Cover* until you have been *Actively Employed* for 30-consecutive days, or
- you joined the Plan outside of 120 days of joining your employer, your Standard cover will be provided as *Limited Cover* for 12 months and subject to a 30-consecutive day *Actively Employed* requirement after the end of the 12-month period to remove the limitation.

If you're on leave for reasons other than illness or injury you are still generally considered to be *Actively Employed*.

If you're not eligible to automatically receive Standard cover, you can apply for Additional cover at any time. Applications are subject to acceptance by the insurer and evidence of health may be required. Simply complete and return the Change of insurance cover form. This form is available at [portal.australianretirementtrust.com.au/oracle](https://portal.australianretirementtrust.com.au/oracle)

## What happens if I want to reduce or cancel my cover?

If you want to reduce or cancel your Standard cover, or just want Standard Death only cover, please let us know. Otherwise the premiums will continue to be deducted from your Super Savings - Corporate Accumulation account each month. The cancellation or reduction will be effective from the date your instruction is received by Australian Retirement Trust.

Our secure online service Member Online allows you to cancel your insurance cover, alternatively just contact us.

If you cancel your cover, evidence of health satisfactory to the insurer will be required before cover can restart from the date approved by the insurer or if Special Conditions apply, the date you accept the Special Conditions.

## What is Total & Permanent Disability cover?

The intention of Total & Permanent Disability insurance cover is to provide a payment should you suffer an injury or illness that disables you to a point that permanently prevents you from working to retirement age. This cover is given to you automatically if you join the plan (subject to meeting eligibility criteria), unless you decide to opt-out of cover. You will need to be medically assessed to determine if you are disabled. Some extra terms and conditions apply.

In the event of a claim your capacity to work is assessed by the insurer and is determined by your ability to perform any reasonably suitable occupation based on all of your education, training or experience, not just your usual occupation or the job you were performing when you become injured or ill.

When reviewing your education, training or experience, we may consider, for example, the level of schooling you completed, further studies undertaken since then and any subsequent qualifications or certifications you have obtained, the transferable skills and abilities you have acquired through any work you have undertaken (both paid and unpaid) as well as any of your hobbies and interests.

Depending on the type of illness or injury there is a 3-month waiting period before a Total & Permanent Disability claim becomes assessable.

If you are totally and permanently disabled and you are eligible for a total and permanent disablement benefit, the payment will be paid to you as a single lump sum.

## What happens if you believe you are totally and permanently disabled?

As a profit-for-members fund, we're here to help, support and guide you through the claims process so you don't feel confused or overwhelmed.

If you believe that you may be eligible to apply for a Total & Permanent Disability claim, we are here to help you along the way.

In order to lodge a claim you would need to be under the care of a *Medical Practitioner* and are still suffering from an ongoing and serious injury or illness that is permanently preventing you from working ever again.

Refer to the *Total & Permanent Disability* definition in the *Definitions* section.

Our Claims Representatives are here to help you every step of the way and will confirm your eligibility to lodge a claim.

Following lodgement of your claim application, the insurer will assess whether your claim is successful. The assessment process takes into account the *Total & Permanent Disability* definition at the *Date of Disablement*, your employment status, and the impact that your injury or illness will have on your ability to work again.

## What benefits are paid out if you are totally and permanently disabled?

If you are totally and permanently disabled and meet the *Total & Permanent Disability* definition, your Total & Permanent Disability cover as at the *Date of Disablement* will be payable. You may also be able to access your Super Savings - Corporate Accumulation account balance.

Any Total & Permanent Disability benefit payment is subject to acceptance of the claim by the insurer.

Payment of a Total & Permanent Disability benefit will reduce the Death cover by the amount paid as a Total & Permanent Disability benefit. Any Death cover in excess of the Total & Permanent Disability cover will still continue in your Super Savings - Corporate Accumulation account while you continue to pay premiums and have an account.

In limited circumstances you will not be eligible to claim on the Standard Death and Total & Permanent Disability insurance cover through Australian Retirement Trust. Refer to the section *Am I eligible for Standard Death and Total & Permanent Disability cover?* and the definition of *Employed* in the *Definitions* section.

## What happens in the event of a specified Medical Condition?

If you do experience one of the specified *Medical Conditions* listed below, and meet the definition, you may be paid a lump sum benefit equal to your Total & Permanent Disability cover amount at the *Date of Disablement*.

To qualify for a single lump sum benefit payment due to a *Medical Condition* you must have one of the following:

- Cardiomyopathy
- Chronic Lung Disease Primary
- Dementia and Alzheimer's Disease
- Major Head Trauma,
- Motor Neurone Disease
- Multiple Sclerosis
- Muscular Dystrophy
- Paraplegia (including Quadriplegia, Hemiplegia, and Tetraplegia)
- Pulmonary Hypertension
- Parkinson's Disease

For more details refer to the *Definitions* section for *Medical Conditions*, and *Total & Permanent Disability - Suffering a specifically defined medical condition and permanently unlikely to work because of that condition*.

## Payment of a total and permanent disability benefit

If you are eligible to receive a Total & Permanent Disability benefit, the insurer will pay the benefit (less any applicable tax) to your Super Savings - Corporate Accumulation account where it will be invested in the Cash investment option.

We will then contact you for payment instructions. Should we not receive payment instructions within 28 days, the payment will be invested as per your current investment strategy.

## When would a health questionnaire be required?

A health questionnaire will be required if:

- you are a Permanent employee and your Standard cover is over \$1,250,000,
- you have previously cancelled your cover and want to reapply, or
- you choose to apply for Additional cover.

In addition, a full health assessment may also be required if requested by the insurer.

Remember you may have a condition that does not impede your day-to-day activities but may affect your risk assessment with the insurer.

## Bring your current cover with you

You may be eligible to transfer existing Death and Total & Permanent Disability, or Death only cover up to \$2,000,000 to the Oracle Superannuation Plan. To apply to transfer your existing cover please complete and return the *Transfer of insurance cover* form, available at [portal.australianretirementtrust.com.au/oracle](http://portal.australianretirementtrust.com.au/oracle)

It's important you include all required documentation, which will include:

- a letter or certificate of currency from your superannuation fund or insurance provider detailing your current insurance cover,
- details of any loadings, exclusions and restrictions applicable to that cover, and
- the confirmation must have been issued within 30 days of your application.

If accepted by the insurer:

- you will be subject to the terms and conditions outlined in the Group life policies issued by MetLife,
- you will continue to be subject to any individual loadings, exclusions and restrictions applicable to the cover that was transferred,
- you will need to cancel the cover you had under your previous fund or policy, and
- your transferred cover will be fixed and in addition to your Standard cover.

If you are thinking about transferring your existing insurance cover, make sure you compare the features and benefits, and are accepted by the insurer, before cancelling your existing cover.

Transferred cover will start on the date your application is accepted by the insurer.

## Interim Accident cover

Where you are not entitled to Standard Death and Total & Permanent Disability cover or you choose to apply for Additional cover, up to 90 days interim Accidental Death and/or Accidental Total & Permanent Disability cover will apply immediately from the date we receive your completed Change of insurance cover form.

The interim cover ends on the earlier of acceptance, deferral or rejection of your application for cover or the expiry of the 90-day period.

If the insurer offers special terms, conditions, restrictions, exclusions or premium loading, you will be required to accept these terms and cover will commence from the date your acceptance is received, provided that this acceptance is within 30 days of the date of insurer's offer.

The interim accident cover available to you is determined by the type of cover available in the Plan and the cover you are applying for.

The amount of interim accident cover is the lesser of the amount of Additional Death and/or Total & Permanent Disability cover you are applying for or \$2,000,000.

No premium is charged for the interim accident cover.

No interim accident benefit will be paid during the interim period for a death or disability claim where a benefit exclusion applies (refer to the *Conditions & exclusions* section in this Corporate Insurance Guide).

Death or Total and Permanent Disablement must occur within 365 days of the *Accident* that occurs during the Interim Accident cover period.

The amount of insurance cover provided is recalculated each 1 September based upon your updated *Base Salary*, unless we advise you otherwise. Your premium is recalculated on or around 1 September each year. *Base Salary* is the amount advised to Australian Retirement Trust by your employer.

If you are on *Unpaid Leave* or parental leave, *Base Salary* is the amount advised to Australian Retirement Trust by your employer on the previous 1 September or on date of commencement (whichever is more recent) immediately before starting leave, unless we advise you otherwise.

The cancellation or reduction will be effective from the date your instruction is received by Australian Retirement Trust.

Our secure online service Member Online allows you to cancel your insurance cover, alternatively just contact us.

If you cancel your cover, evidence of health satisfactory to the insurer will be required before cover can restart from the date approved by the insurer or if Special Conditions apply, the date you accept the Special Conditions.

## When would a health questionnaire be required?

A health questionnaire will be required if:

- you are a Permanent employee and your Standard cover is over \$1,250,000,
- you have previously cancelled your cover and want to reapply, or
- you choose to apply for Additional cover.

In addition, a full health assessment may also be required if requested by the insurer.

Remember you may have a condition that does not impede your day-to-day activities but may affect your risk assessment with the insurer.

## Bring your current cover with you

You may be eligible to transfer existing Death and Total & Permanent Disability, or Death only cover up to \$2,000,000 to the Oracle Superannuation Plan.

To apply to transfer your existing cover please complete and return the *Transfer of insurance cover* form, available at [portal.australianretirementtrust.com.au/oracle](http://portal.australianretirementtrust.com.au/oracle)

It's important you include all required documentation, which will include:

- a letter or certificate of currency from your superannuation fund or insurance provider detailing your current insurance cover,
- details of any loadings, exclusions and restrictions applicable to that cover, and
- the confirmation must have been issued within 30 days of your application.

If accepted by the insurer:

- you will be subject to the terms and conditions outlined in the Group life policies issued by MetLife,
- you will continue to be subject to any individual loadings, exclusions and restrictions applicable to the cover that was transferred,
- you will need to cancel the cover you had under your previous fund or policy, and
- your transferred cover will be fixed and in addition to your Standard cover.

If you are thinking about transferring your existing insurance cover, make sure you compare the features and benefits, and are accepted by the insurer, before cancelling your existing cover.

Transferred cover will start on the date your application is accepted by the insurer.

## Interim Accident cover

Where you are not entitled to Standard cover or you choose to apply for Additional cover, up to 90 days interim Accidental Death and/or Accidental Total & Permanent Disability cover will apply immediately from the date we receive your completed Change of insurance cover form.

The interim cover ends on the earlier of acceptance, deferral or rejection of your application for cover or the expiry of the 90-day period.

If the insurer offers special terms, conditions, restrictions, exclusions or premium loading, you will be required to accept these terms and cover will commence from the date your acceptance is received, provided that this acceptance is within 30 days of the date of insurer's offer.

The interim accident cover available to you is determined by the type of cover available in the Plan and the cover you are applying for.

The amount of interim accident cover is the lesser of the amount of Additional Death and/or Total & Permanent Disability cover you are applying for or \$2,000,000.

No premium is charged for the interim accident cover.

No interim accident benefit will be paid during the interim period for a death or disability claim where a benefit exclusion applies (refer to the *Conditions & exclusions* section in this Corporate Insurance Guide).

Death or Total and Permanent Disablement must occur within 365 days of the *Accident* that occurs during the Interim Accident cover period.

## Additional cover – all Permanent employees

There are many reasons that you may want to apply for Additional cover:

- you're not eligible for Standard insurance cover,
- you have previously cancelled your cover and want to reapply,
- you simply want to increase the level of cover, or
- you want to change the basis of insurance provided by Standard cover.

Any application for insurance cover is subject to acceptance by the insurer. Satisfactory evidence of health may be required. Australian Retirement Trust reserves the right to limit the amount of Additional cover provided. Cover will commence on the date the insurer accepts your application.

### Types of cover available

The types of Additional cover available are:

- Death only (this includes Terminal Illness)
- Death and Total & Permanent Disability

### How much can I apply for?

You can apply for either Death and/or Total & Permanent Disability cover up to the following maximum cover levels (this includes any existing Standard cover):

- Death cover — unlimited
- Terminal Illness — unlimited (this forms part of the Death cover)
- Total & Permanent Disability cover — \$5 million

#### **It's simple, you can apply for Additional cover anytime**

You can apply for cover through [portal.australianretirementtrust.com.au/oracle](https://portal.australianretirementtrust.com.au/oracle)

Simply download and complete the Change of insurance cover form and return it to us.

### When does Additional Death and Total & Permanent Disability cover start?

Your Additional Death and/or Total & Permanent Disability cover will generally start from the date the insurer approves your application. However as a condition of acceptance of the Additional cover, the insurer may apply a loading (a higher premium) for the increased amount of cover. The insurer may also specify a benefit exclusion that will apply if a claim for the increased amount of cover is related to a specified condition or pastime.

If you accept the terms of this Special Acceptance offer (if applicable), your Additional Death and/or Total & Permanent Disability cover will start on the date you accept the offer.

Commencement of cover is also subject to you having sufficient money in your Super Savings - Corporate Accumulation account to pay insurance premiums. If you do not have enough money in your Super Savings - Corporate Accumulation account to pay premiums, you will be notified of the conditions that apply to you.

### Additional Total & Permanent Disability cover reduces from age 61

From age 61, your Additional Total & Permanent Disability cover reduces annually by 10% of your insured benefit at age 60, until your 65th birthday when cover ceases. Your premiums are adjusted accordingly. An example is shown below. If you have \$200,000 of Total & Permanent Disability cover at age 60, your cover will reduce as follows:

Age <sup>1</sup>	Total & Permanent Disability cover
60	\$200,000
61	\$180,000
62	\$160,000
63	\$140,000
64	\$120,000
65	Nil

1. The insurance cover is recalculated based on your age at 1 September. Your premium is recalculated based on your updated cover on or around this date.

If your cover commenced after age 60, any Additional Total & Permanent Disability cover will reduce at a rate greater than 10% per annum. This will be consistent with any reduction had your cover commenced prior to age 60.

## An example of how to calculate Additional Death and Total & Permanent Disability premiums

James is 29 years old, he needs Additional cover. He decides to apply for \$100,000 of Additional Death cover and \$200,000 of Additional Total & Permanent Disability cover. If accepted by the insurer, James' premiums for Additional cover will be as follows:

$$\begin{aligned} & \text{(Additional Death only cover / \$10,000) x Death premium} \\ & \text{rate / 52} \\ & \text{plus} \\ & \text{(Additional TPD}^1 \text{ only cover / \$10,000) x TPD}^1 \text{ premium} \\ & \text{rate / 52} \end{aligned}$$

$$\begin{aligned} & (\$100,000 / \$10,000) \times \$0.24 / 52 \\ & + \\ & (\$200,000 / \$10,000) \times \$0.05 / 52 = \$0.07 \text{ per week} \end{aligned}$$

1. TPD means Total & Permanent Disability.

**Note:** Rounding variations may occur when calculating premiums. The weekly premiums displayed above are rounded up to the next whole cent.

Premiums for insurance cover are deducted from your Super Savings - Corporate Accumulation account. Premiums for partial weeks are not pro-rated.

For full details on premium rates, refer to the *Premiums* section of this Corporate Insurance Guide.

### Restrictions and exclusions on Additional cover

There is a benefit exclusion that applies for 12 months after acceptance of the Additional insurance cover to any claim resulting from suicide or any intentional self-inflicted injury.

This means the Death and/or Total & Permanent Disability cover that is accepted by the insurer will not be paid for a suicide or intentional self-inflicted injury related claim in the 12 month period from the date that your Additional cover is accepted by the insurer. This restriction applies only to the amount above any Standard insurance cover you may have been automatically entitled to on joining Australian Retirement Trust.

## Conditions & exclusions

### When does Death and Total & Permanent Disability insurance cover stop?

Cover will stop when:

- you turn 65 for Standard Death cover,
- you turn 64 for Standard Total & Permanent Disability cover,
- you turn 65 for Additional Death cover,
- you turn 65 for Additional Total & Permanent Disability cover,
- you die,
- you receive a Total & Permanent Disability insurance benefit,
- you cancel the cover,
- you are paid a Terminal Illness benefit which is not less than the amount of the Death and/ or Total & Permanent Disability benefit,
- you withdraw all monies from your Super Savings - Corporate Accumulation account,
- the policy issued to the Trustee is cancelled or terminated for any reason,
- you start duty in the military services of any country (except the Australian Armed Forces Reserve as long as you are not on active duty outside Australia),
- you are on *Unpaid Leave* for 24 months or more,
- you are *Employed* under a working visa and the term of the working visa expires, or you permanently depart Australia (whichever is earlier),
- where you are not an Australian Resident, the date you are temporarily employed outside of Australia for more than 90 days,
- Contribution Inactivity - your Super Savings - Corporate Accumulation account has not received an *Eligible Contribution* in the last 12 months or more and you have not elected in writing to keep your cover<sup>1</sup>, or
- Zero account balance - the premium is due and there is not enough money in your Super Savings - Corporate Accumulation account to pay the premiums and the premiums remain unpaid for 4 months.

1. Where we have valid contact details, we will contact you advising the date your cover will stop. If you wish for your cover to continue even if no *Eligible Contributions* are made to your account for continuous periods of 12 months or longer, you can advise us in writing or visit [australianretirementtrust.com.au/keep-my-insurance](http://australianretirementtrust.com.au/keep-my-insurance).

Make sure you consider the impact of premiums on your account balance.

## Can Death and Total & Permanent Disability cover restart if it ceases?

If your insurance cover automatically stops because of:

- Contribution Inactivity; or
- Zero Account Balance,

then Standard cover based on the default option will automatically restart upon receipt of a Superannuation Guarantee contribution, and only if you have also met the Standard cover eligibility criteria of attaining age 25 and your account balance reaching \$6,000.

You also have the option to advise us in writing to restart the insurance cover that was stopped due to Contribution Inactivity. This written request must be received within 60 days of the cover stopping. We will restart the type and amount of cover you had as at the date of the automatic cancellation from the date your written request for reinstatement is received.

### Reinstatement of cover within 60 days:

If you are not *Actively Employed* on the date the cover restarts, any cover that is reinstated will be provided as *Limited Cover* until you have been *Actively Employed* for 30 consecutive days.

### Reinstatement of cover outside 60 days:

If your cover restarts more than 60 days after cover has ceased, any cover that is reinstated will be provided as *Limited Cover* for 12 months as long as you are *Actively Employed* for 30-consecutive days immediately prior to the end of the 12-month period, otherwise *Limited Cover* continues until you are *Actively Employed* for 30 consecutive days after the end of the 12-month period.

If you have previously requested a cancellation of your cover, your cover will **not** automatically restart. Should you wish to restart cover in this instance, you will be required to complete an application that may be subject to health and lifestyle assessment, and acceptance by the insurer.

**Note:** You will not be able to make a claim for the period between when your cover stopped and when your cover restarted.

## What happens if you have a Terminal Illness?

In summary, *Terminal Illness* means that you are suffering from a illness or injury that is likely to result in your death within 12 months.

If your Death cover is in force, subject to providing all the required documentation to support your claim and approval by the Trustee and insurer, which includes certification of the Terminal Illness by the two *Medical Practitioners* (one being a specialist physician in the particular medical field), you will be paid a Terminal Illness benefit.

If you have Death cover and the insurer accepts your claim for *Terminal Illness*, the benefit paid is the amount of your superannuation account balance plus the amount of your Death cover in force at the most recent certification.

If you have received or are eligible to receive a *Terminal Illness* benefit or *Terminal Medical Condition* payment from Australian Retirement Trust or another fund or insurer when you join Australian Retirement Trust, you will not be eligible for Death or Total & Permanent Disability cover with Australian Retirement Trust.

## What benefits are paid out if you die?

Your Death benefit is the amount of your superannuation account balance plus the total amount of Death cover. In the event of your death, your Death benefit may be paid to your nominated beneficiaries (subject to Trustee discretion — unless you have a binding death benefit nomination).

Any Death benefit is subject to acceptance of the claim by the insurer.

## General exclusions

### - suicide or intentional self-inflicted injury

Within 12 months of:

- the start or recommencement of your Standard Death and/or Total & Permanent Disability cover where your cover is subject to a 12 month *Limited Cover* period, or
- the start or recommencement of your Additional Death and Total & Permanent Disability cover,

you will not be eligible to claim where your death or total & permanent disability results from suicide or from an intentional self-inflicted injury. For more information please refer to the *When does my Standard cover start?* section in this Corporate Insurance Guide.

In addition, a benefit will not be paid if a Death, Total & Permanent Disability or Terminal Illness benefit where the payment of such benefit would expose the insurer (including a related body corporate), Australian Retirement Trust, or you to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Australia or United States of America.

## Life Event options

When your life changes, the Life Event options give you the opportunity to increase your cover above your existing Standard Death and Total & Permanent Disability or Standard Death only cover at the times in your life when it matters the most.

Life Event options:

- you get married (or register your relationship),
- you have or adopt a child,
- you get divorced, or
- you purchase a home for your primary place of residence.

You can apply to increase your cover by the lesser of:

- 25% of your default level of Standard cover,
- \$200,000, or
- 25% of the total mortgage on your primary place of residence (if applicable).

To increase cover you must:

- apply within 60 days following one of the Life Events,
- not have been declined, or have any exclusions, premium loading, limitations, special terms, conditions or restrictions applying to your cover,
- not be applying for, intending to apply for, or have been paid a Total and Permanent Disability benefit or Terminal Illness benefit from the Policy, any superannuation fund or life insurance policy, and
- not exceed the maximum cover amount.

You can only apply for one Life Event increase during your membership in the Plan. You will need to provide us proof of your Life Event. Please contact us for more information.

If you are not in *Active Employment* on the date the application is received, an increase in cover under this option will be subject to *Limited Cover*. *Limited Cover* will apply to the additional cover provided until you are in *Active Employment* for 30-consecutive days.

A suicide or any intentional self-inflicted act exclusion will apply for the first 12 months from the date additional cover commences.

*Limited Cover* generally means you're only covered for illness or injury that first manifests after the date cover commenced.

**Note:** Any increase in cover as a result of a Life Event will be provided to you as Additional cover. Your employer does not cover the cost of any increased premiums as a result of a Life Event. Premiums for any additional insurance cover will be deducted from your Super Savings - Corporate Accumulation account.

## Other important information

### Can your health affect your insurance cover?

If you wish to apply for cover above the AAL or require Additional cover when assessing your application for cover, the insurer may ask for further details in relation to the information you disclose in your application.

As a condition of acceptance of the Additional cover, the insurer may apply a loading (a higher premium) for the increased amount of cover. The insurer may also specify a benefit exclusion that will apply if a claim for the increased amount of insurance is related to a specified condition or pastime.

Any premium loadings or benefit exclusions will be advised to you as a Special Acceptance offer. You will be required to either accept or decline the offer within 30 days. If no response is received from you it will be deemed that you have declined this offer. Interim Accident Cover will apply until the application for cover is accepted or rejected by the insurer, or the application is withdrawn or 90 days have elapsed since original date of application. Otherwise the terms detailed in the *Interim Accident cover* section will apply. If you do not respond to the Special Acceptance offer within 30 days the application will be cancelled and interim cover will cease.

If you accept the terms of this offer, your increased cover will start on the date you accept the Special Acceptance offer.

Commencement of cover is also subject to you having sufficient money in your Super Savings - Corporate Accumulation account to pay insurance premiums. If you do not have enough money in your Super Savings - Corporate Accumulation account to pay premiums, you will be notified of the conditions that apply to you.

### Change in circumstances

Different people will have different needs depending on their individual circumstances. You may need more cover, or you may not want to cover yourself at all. It is important that you review your insurance needs and check that you are adequately covered. To help you work out your insurance needs, call us on **13 11 84**.

## Can I nominate a beneficiary?

In the unfortunate event of your death, the Trustee of Australian Retirement Trust is required to pay your Death benefit to your beneficiaries, or where there are no eligible beneficiaries, to any person who has a fair claim. For your Super Savings – Corporate Accumulation account you can complete either:

- a binding death benefit nomination – this allows you to nominate who will receive your superannuation benefits in the event of your death and ensures that the Trustee is legally bound by your wishes. Claims are generally processed faster when a valid binding death benefit nomination is in place, or
- a preferred beneficiary nomination – this is used by the Trustee as a guide when deciding who should receive your Death benefit. There may be restrictions on who the benefit can be legally paid to. There may also be lengthy investigations to determine who the benefit should be paid to.

Refer to the Super Savings Accumulation Guide for more information.

## What happens if I am staying with my current employer, but my Superannuation Guarantee (SG) contributions are redirected?

## **Your duty to take reasonable care not to make a misrepresentation**

### **About your duty**

When you apply for life insurance as a member of Australian Retirement Trust, the insurer may conduct a process called underwriting. It's how the insurer decides whether it will cover you, and if so on what terms and at what cost. If your application is underwritten, you will be asked questions which the insurer needs to know the answers to. These will be about your personal circumstances and may include questions about your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you provide in response to the questions is vital to the insurer's decision.

### **The duty to take reasonable care**

When applying for insurance which is to be underwritten, you have a legal duty to take reasonable care not to make a misrepresentation before your application is accepted by the insurer. A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth. This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

### **If you do not meet your duty**

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced. Please note that there may be circumstances where the insurer later investigates whether the information you provided was true. For example, the insurer may do this when a claim is made.

## **Guidance for answering questions**

When answering questions as part of an application for insurance cover, you should:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us or the insurer before you respond.
- Answer every question.
- Answer truthfully, accurately and completely.
- If you are unsure about whether you should include information or not, you should include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), you should check every answer (and if necessary, make any corrections) before the application is submitted.
- You must not assume that Australian Retirement Trust or the insurer will contact your doctor for any medical information.

## **Changes before your cover starts**

Before your application is accepted, the insurer may ask about any changes that mean you would now answer the questions differently. As any changes might require further assessment or investigation, it could save time if you let us or the insurer know about any changes when they happen.

## **If you need help**

It's important that you understand this information and the questions that you are asked. Ask us or the insurer for help if you have difficulty understanding the process of applying for insurance or answering our or the insurer's questions. If you're having difficulty due to a disability, understanding English or for any other reason, we are here to help and can provide additional support for anyone who might need it.

## What can the insurer do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to the insurer. These are set out in the *Insurance Contracts Act 1984* (Cth). These are intended to put the insurer in the position they would have been in if the duty had been met.

For example, the insurer may:

- Avoid the cover (treat it as if it never existed);
- vary the amount of the cover; or
- vary the terms of the cover.

Whether the insurer can exercise one of these remedies depends on a number of factors, including:

- Whether you took reasonable care not to make a misrepresentation (this depends on all of the relevant circumstances);
- what the insurer would have done if the duty had been met – for example, whether they would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before the insurer exercises any of these remedies, they will explain their reasons, how to respond and provide further information, including what you can do if you disagree.

## Special offers

Information on special offers may be available on our website from time to time. If we make a special offer, we will provide you with separate terms and conditions about the offer on request. Special offers may only be available to you for a short time and we may withdraw them at any time.

## Overseas travel and approved leave

Total premiums (including stamp duty) will continue to be deducted from your Super Savings – Corporate Accumulation account during the period of leave. It is your responsibility to ensure sufficient monies are in your Super Savings – Corporate Accumulation account during the period of leave to pay your premiums.

If you cancel your cover while on leave, you will need to reapply for cover on returning to work. Evidence of health satisfactory to the insurer will be required before cover can restart from the date accepted by the insurer.

## What happens during Unpaid Leave or parental leave?

Your Death and Total & Permanent Disability cover, or Death only cover will continue for up to two years while on *Unpaid Leave* or parental leave.

**Warning:** If your account does not receive an *Eligible Contribution* for at least a 12 month period and you haven't informed us in writing that you wish to keep your insurance cover, your cover will normally cease 12 months after your last *Eligible Contribution*.

## What happens if you travel overseas on paid leave?

Where you travel overseas while on paid leave from your Australian-based employer (or an international subsidiary or associated company of your Australian employer), your cover continues with no travel restrictions.

If you become disabled whilst overseas you may be required to return to Australia, at your own expense, for assessment.

## What happens if you temporarily reside overseas?

Your cover will continue while you temporarily reside overseas as long as you remain in the active employment of your Australian-based employer (or an international subsidiary or associated company of your Australian employer). Cover will cease after 90 days if you are not an Australian resident. If you become disabled while based overseas you may, at your own expense be required to return to Australia for assessment of any disability claim.

The *Total & Permanent Disability* definition or disability benefit used in the event of a claim will depend on your employment status at the time of becoming disabled.

**Warning:** If your account does not receive an *Eligible Contribution* for at least a 12 month period and you haven't informed us in writing that you wish to keep your insurance cover, your cover will normally cease 12 months after your last *Eligible Contribution*.

## What happens if you are Employed under the terms of a work visa?

Employees employed under the terms of a working visa which enables you to work in Australia you are eligible for Standard insurance cover and may apply for Additional cover.

### 3. Premiums

#### How is the premium for Standard and Additional cover calculated and when is it paid?

The premium rates for the Plan are generally based on a number of factors including:

- the number of insured members in the Plan,
- the age, gender and occupational mix of the Plan, and
- the claims history of the Plan.

The cost of your cover depends on the amount and type of cover you have, your age and stamp duty (where applicable) and the premium rates applying to the Plan. Premiums for cover in addition to the Standard insurance cover you receive automatically may also depend on your health at the time you applied and were accepted for the Additional cover.

Generally your insurance premiums are recalculated annually on or around 1 September, unless agreed otherwise with the insurer.

An important feature of this plan is that Oracle Corporation Australia Pty Ltd pays the premium for Standard cover. Premiums for Additional cover (if any) are automatically deducted from your account each month. Any premiums paid by your employer count towards the concessional contributions cap. Breaching this cap may have tax implications for you. Refer to Section 2 - *How super works* and Section 4 - *How super is taxed* of the Super Savings Accumulation Guide for more information.

From time to time, our insurer may need to change premium rates, which may result in an increase or decrease to your premiums.

#### Premium Rates – Standard and Additional Death and Total & Permanent Disability cover

##### Permanent employees working over 15 hours per week

Your insurance premiums are determined by your age, amount of insurance and the premium rates applying to the Plan. The table below shows the annual premium for each \$10,000 of cover.

### Super Savings Insurance claims guide

Want to know more about:

- Making a claim
- How a claim is assessed

We have developed a guide to help step you through the various claims processes.

Visit [australianretirementtrust.com.au/claim](http://australianretirementtrust.com.au/claim) for more information on making a claim.

### Do you need a lawyer to assist with your claim?

Every insurance claim is different. Our claim process has been designed so that in most cases you or your family should not need the assistance of a lawyer when making a claim with Australian Retirement Trust. Our experienced Claims Representatives are here to assist you with your claim throughout the whole process.

However, if you wish to engage the services of a lawyer to assist with your claim you can do so at any time.

Remember, we are here to help, so call us on **13 11 84** if you have any questions about how to make a claim.

### How to make a claim

While we do hope that you never need to, the following information will assist you in understanding the claim process in the event that you do need to make a claim. Any claim process will involve:

- notification to us,
- gathering information and providing it to us,
- assessment of the insurance claim by the insurer,
- assessment by the Trustee of Australian Retirement Trust, including determination of the beneficiary/s,
- decision by the Trustee of Australian Retirement Trust, and
- payment of the claim, if approved.

These steps do take some time, although our experienced Claims Representatives will help you at every stage of the process.

Further information may be requested at different stages of the process, and with Disability claims you may be required to undergo an examination by a *Medical Practitioner* or professional of the insurer's choice. The insurer will usually meet the costs associated with any additional information requests.

## Death claims

It is important that in the event of your death, Australian Retirement Trust is notified by a relative or legal personal representative to enable the claims process to begin. Once we receive formal notification of your death, your Super Savings – Corporate Accumulation account will normally be transferred to the Cash investment option. Any insurance benefit paid into your Super Savings – Corporate Accumulation account will also be invested in the Cash investment option, and will remain invested there until the Trustee finalises payment of your death benefit.

## Disability claims

Australian Retirement Trust should be notified as soon as reasonably possible after an event that is likely to give rise to a disability or *Terminal Illness* claim. Depending on the type of illness or injury there is a 3-month waiting period before a Total & Permanent Disability claim becomes assessable.

If you don't have insurance with us, you may still be able to claim your super balance under a *Permanent Incapacity* benefit. If you are suffering from a *Terminal Medical Condition* you may also be able to access your super balance. Please contact Australian Retirement Trust on **13 11 84** to discuss these options.

## Claims after your cover has stopped

If an event occurs before the date your cover stops or is terminated, and that event entitles you to make an insurance claim, you may still be eligible for that payment even after your cover has stopped.

## If your claim is declined

If your claim is declined by the insurer your claim will be referred to the Trustee of Australian Retirement Trust for review and consideration.

If the Trustee of Australian Retirement Trust declines your claim and you disagree with this decision you can either:

- lodge a complaint with Australian Retirement Trust. Your complaint will be investigated, and if the decision to decline your claim is confirmed by Australian Retirement Trust, you can refer your complaint to the Australian Financial Complaints Authority (AFCA), or
- lodge a complaint directly with AFCA, however AFCA may refer your complaint back to Australian Retirement Trust.

There are time limits on when you can make a complaint to AFCA about a Total & Permanent Disability claim.

Call AFCA on 1800 931 678 or visit their website [www.afca.org.au](http://www.afca.org.au) for more information about these time limits.

## 4. Definitions - Total & Permanent Disability

**It is important that you understand the Total & Permanent Disability definition and the factors that can impact the payment of a benefit. The following statements are here to assist your understanding of the Total & Permanent Disability definition.**

**Ongoing medical care** - you are required to be under the ongoing care of and following the advice recommended by your treating doctor.

**Already receiving disability support payments** - you are not automatically entitled to a total & permanent disability benefit where you are eligible to access your superannuation balance because of permanent incapacity or you have received benefits from Centrelink (for example a Disability Support Pension) or workers compensation. You must meet the applicable Total & Permanent Disability definition.

**How is your prior education, training and experience taken into account?** - your Total & Permanent Disability definition is based on your capacity to perform any suitable occupation based on all your education, training or experience and not just your own occupation. It will not be limited to the occupation or job you were doing immediately prior to your disablement.

The time period over which your education, training or experience is considered depends on which part of the Total & Permanent Disability definition applies to you. The insurer will consider all your education, training or experience up to the end of any waiting period (as set out in the definition).

**Working on a part-time basis** - your ability to participate in part-time work, regular casual work or lower paid work after you become injured or ill may disqualify you from receiving a total & permanent disability benefit payment even if you were working full time prior to your disablement.

**Work availability** - the availability or desirability of suitable work in your immediate area is not a relevant consideration - it is only your capacity to perform work that is the determining factor.

**How will your benefit be paid** - If you are eligible for a Total & Permanent Disability benefit, this will be paid to you as a single lump sum payment.

### Total & Permanent Disability means:

#### Loss of limbs and/or sight

As a result of an injury or sickness you have suffered, at the *Date of Disablement*, the total and irrecoverable loss of:

- (i) the use of two limbs; or
- (ii) the use of the sight of both eyes; or
- (iii) the use of one limb and the sight of one eye; or
- (iv) *Cognitive Function* (this has a three consecutive month waiting period).

(where limb is defined as the whole hand or the whole foot); and

the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unlikely ever again to be gainfully employed in your usual occupation, or any occupation for which you are reasonably suited by education, training or experience;

or

#### Unlikely to do a suited occupation ever again

Where, at the *Date of Disablement*, and solely by reason of an injury or sickness:

- (i) you are unable to perform your occupational duties for a period of three consecutive months since the *Date of Disablement* solely due to injury or sickness, and
- (ii) you are under the care of, and following the advice of, a registered *Medical Practitioner*; and
- (iii) the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unlikely ever again to be gainfully employed in your usual occupation, or any other occupation for which you are reasonably suited by education, training or experience;

or

#### Suffering a specifically defined medical condition and permanently unlikely to work because of that condition

Where immediately prior to the *Date of Disablement* you are absent from all work and have been certified by a *Medical Practitioner* as being unable to perform your occupational duties since the *Date of Disablement*:

- (i) solely as a result of suffering one or more of the following listed *Medical Conditions*; Primary Pulmonary Hypertension, Major Head Trauma, Motor Neurone Disease, Multiple Sclerosis, Muscular Dystrophy, Dementia and Alzheimer's Disease, Parkinson's Disease, Chronic Lung Disease, Cardiomyopathy, or Paraplegia (including Quadriplegia, Hemiplegia and Tetraplegia), and
- (ii) the insurer, after considering all relevant evidence which is reasonably available, then determines you will be unlikely ever again to be gainfully employed in your usual occupation, or any occupation for which you are reasonably suited by education, training or experience.
