

Annual Members' Meeting

You're invited to our Annual Members' Meeting on **Wednesday 20 November 2024**.

It's an important opportunity for you to hear from and engage directly with our Board and Executive team. You'll hear how your Fund is run and how it has performed in 2023–24. You'll also have an opportunity to ask questions about our operations and how we support members to and through retirement.

Do you still need us to send you this by post?

Most of our members receive this information by email – it's easy to change your communication preferences at any time in Member Online.
