Important

You can choose whether your payment is treated as a lump sum withdrawal or an additional income payment. Depending on the payment option your pick, your choice may impact your regular income payments and Centrelink entitlements, may have tax consequences or may be restricted by any applicable maximum limits.

Please take the time to understand how these two options are treated differently by reading the important information below. If you're not sure which payment best suits you or you'd like to confirm the impact, if any, your payment will have on your future payments, speak to your financial adviser, or contact us on **13 11 84**. Our qualified advisers can give you advice, quickly over the phone.[^]

If you started your Income account before 1 January 2015, and you have been receiving Centrelink entitlements since that time, making a withdrawal or additional income payment may impact your future Centrelink entitlements. Additionally, tax may apply if you aged under 60 for any additional payment or withdrawal.

[^]Our qualified financial advisers can provide advice about your Super Savings account. This advice is included with your membership. Australian Retirement Trust employees provide advice as representatives of Sunsuper Financial Services Pty Ltd (ABN 50 087 154 818 AFSL No. 227867) (SFS), wholly owned by Australian Retirement Trust. SFS is a separate legal entity responsible for the financial services it provides. Eligibility conditions apply. Refer to the Financial Services Guide (FSG) for more information.

2 Choosing a payment option Please select **ONE** payment option only by ticking a box below

Lump sum payment

☐ I want the lump sum withdrawal paid separate from my regular income payments.¹

OR

Additional income payment

☐ I would like my payment treated as an additional income payment and added to my next scheduled income payment.

¹ We aim to process all payments within 7–10 working days of receiving all the required information. In busy periods this may take longer.

Important information

Lump sum payment

With this option, the amount requested will be paid separate from your next regular income payment.

- Money withdrawn via this method does not count towards your annual minimum payment requirements, however the withdrawal will create a credit towards your transfer balance cap.
- Before a lump sum payment can be made, Australian Retirement Trust is required to calculate and pay into your nominated account, any unpaid minimum income payments to date. A pro-rated minimum amount will be paid in addition to your requested lump sum amount.
- If you have a Transition to Retirement account, this option is only available for 'unrestricted non-preserved monies'.

Additional income payment option

With this option, the amount requested is added to your next regular income payment.

- Money withdrawn via this method will count towards your annual minimum payment requirements, however, the amount will not create a credit towards your transfer balance cap (the maximum amount you can transfer to a retirement phase account).
- If you have a Transition to Retirement account, ongoing income payment amount as determined by legislation may be adjusted to ensure you don't go over the maximum limit.

3 Your payment amount

I'd like a payment of

(Please specify an amount or write "TOTAL")
