

Super Savings Consolidate Your Super

 Did you know you can combine your super online?
Simply visit australianretirementtrust.com.au/consolidate and we'll do the searching for you.

Use this form to consolidate (rollover) your super from other accounts into your Australian Retirement Trust account.

Before combining your super, consider the potential loss of insurance and other benefits that you may have with your existing fund. Also, think about where your future employer contributions will be paid.

Important: If you don't already have a Super Savings account and are not joining Australian Retirement Trust through an employer you will need to apply for a Super Savings Accumulation account at australianretirementtrust.com.au/join. You should obtain and consider a copy of the Product Disclosure Statement (PDS) and Target Market Determinations (TMDs) before making a decision to acquire or continue to hold the product.

You can obtain a PDS and TMD by calling us on 13 11 84 or by visiting australianretirementtrust.com.au/pds

Please provide us with as much information as possible and ensure your form is signed and dated. *DENOTES MANDATORY FIELD.

Tax file number (TFN) details – Australian Retirement Trust can use your TFN to help you bring your super together.

My TFN

Look for other super for me

By ticking this box, you consent to Australian Retirement Trust using the Australian Taxation Office (ATO) SuperMatch service to use your TFN to search for any other super you may have. This super may be with other super funds or held with the ATO. If we find money with the ATO, you also consent to Australian Retirement Trust requesting the ATO transfer these amounts into your Super Savings account where possible. If we find money with other super funds, you'll have the choice of whether you transfer this or not. To help keep track of your super, we'll also conduct an ongoing annual search on your behalf. If at any time you wish to revoke your consent, please contact Australian Retirement Trust on 13 11 84.

Turn over to learn how you can avoid extra tax by providing your TFN. By giving us your TFN, you are authorising us to disclose this information to your other super fund(s). If you don't provide your TFN, or the other fund is unable to match your details with the ATO, you may be asked for further documentation to verify your identity.

3 Other super account(s) that you want to combine with your Super Savings account

Before you consolidate your super, please consider if the timing is right and if you will lose access to benefits such as insurance or pension options, or if there are tax implications. While combining your super into a single account in one fund may mean you pay less in fees and have less paperwork to deal with, it will also mean that any insurance cover you have in your old fund will stop. You should check whether you have insurance cover in that fund and consider whether you need that cover before making a decision to combine your super. You should also consider where your future employer contributions will be paid. You should also compare the other features of your old fund with your Super Savings account before making a decision. Visit australianretirementtrust.com.au/learn/education-hub/compare-super-funds

Do you have insurance cover with your other fund? You can transfer your cover to Australian Retirement Trust before you combine your super. Just complete a Transfer of Insurance Cover form available at australianretirementtrust.com.au/insurance-forms. You should not cancel your existing cover until you have received confirmation that your transfer request has been accepted by Australian Retirement Trust.

This includes processing your application, managing your participation in Australian Retirement Trust, providing you with information about your benefits and our available services, and ensuring you receive your entitlements.

We will generally collect your personal information directly from you, your authorised representatives, your employer or other third parties, such as the Australian Taxation Office (ATO). If the information we request is not provided, we may be unable to properly administer your benefits and notify you about your entitlements.

We may disclose your personal information to entities within the Australian Retirement Trust Group, our service providers and advisers, medical and health professionals, regulators and government bodies, or to other third parties if we need to or if you have given consent to the disclosure. Transfers from New Zealand

Australian Retirement Trust does not accept transfers from New Zealand KiwiSaver accounts or rollovers that contain a KiwiSaver component, from an Australian super fund.

Providing your tax file number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect, use and disclose your tax file number.

The trustee of your superannuation fund may disclose your tax file number to another superannuation provider, when your benefits are being transferred, unless you request the trustee of your superannuation fund in writing that your tax file number not be disclosed to any other superannuation provider.

Declining to quote your tax file number to the trustee of your superannuation fund is not an offence. However giving your tax file number to your superannuation fund will have the following advantages:

- your superannuation fund will be able to accept all permitted types of contributions to your account/s,
- other than the tax that may ordinarily apply, you will not pay more tax than you need to - this affects both contributions to your superannuation and benefit payments when you start drawing down your superannuation benefits, and
- it will make it much easier to find different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.
