

SuperRatings Assessment

Australian Retirement Trust is one of Australia's largest superannuation funds following the merger of QSuper and Sunsuper in March 2022. ART-QSuper-Accumulation Account provides for the retirement needs of Queensland Government employees and their families. The fund was nominated as a finalist for the 2023 MyChoice Super of the Year and the 2023 Smooth Ride awards.

The product offers an investment menu of 4 Diversified options and 4 Single Sector options, as well as Self Invest, which provides access to Direct Shares listed on the S&P/ASX 300, a range of Exchange Traded Funds (ETFs) and Term Deposits. The Balanced option outperformed the relevant SuperRatings Index over the 1-year period to 30 June 2022; however, underperformed over other assessed time periods.

Fees are lower than the industry average across all account balances assessed. Administration fees paid in excess of \$875 are refunded to the member in July of the following financial year. The fund does not charge an investment switching fee or a buy-sell spread.

The insurance offering allows eligible members to apply for up to \$3 million of Death cover and up to \$3 million of Total and Permanent Disability (TPD) cover. Income Protection with a benefit period of 2 years, 5 years or to age 65, covering up to 87.75% of salary, is available following a 30-, 60- or 90-day waiting period.

The fund offers high quality educational material, interactive tools and calculators, as well as seminars at no additional cost. Further, members are able to view and update account details, as well as perform transactions through the secure Member Online portal.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.

SuperRatings Assessment Scores Explained

SuperRatings' overall rating of a product is provided by our Platinum, Gold, Silver and Other ratings. The product's assessment across individual components such as investments, insurance and fees is split across quartiles represented by road signs. For instance, "110" denotes the best 25% of performers. **SuperRatings: 1300 826 395 Research Analyst: Stella Han**
