

SuperRatings Assessment

Australian Retirement Trust – QSuper's retirement offering includes the ART-QSuper-Retirement Income Account and ART-QSuper Lifetime Pension. The Retirement Income Account was established in 1995, with a minimum initial investment of \$30,000 required to commence membership, whilst the Lifetime Pension was launched in 2021, with a minimum purchase price of \$10,000 applicable. The fund was nominated as a finalist for the 2024 Retirement Offering of the Year award.

The product offers an investment menu comprising 4 Diversified options and 4 Single Sector options. The Balanced option underperformed the relevant SuperRatings Index over all assessed time periods to 30 June 2023.

Fees are competitive and lower than the industry average across all account balances assessed, with the administration fees capped at \$875 pa. Any amount paid in excess of this cap will be refunded to the member in July of the following financial year. The fund does not charge an investment switching fee or a buy-sell spread.

Excellent pension flexibility is offered, with members able to select from fortnightly through to annual payment frequencies. Members with more than one investment option can nominate the proportion of, or order in which, payments are to be drawn from each option. Members can also select from reversionary pensions or binding lump sum death benefits.

The fund offers high quality educational material, interactive tools and calculators, as well as seminars at no additional cost. Further, the secure Member Online portal allows members to view and update account details, as well as perform transactions, with a mobile app also available.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.
