SuperRatings Assessment

Australian Retirement Trust is one of Australia's largest superannuation funds following the merger of QSuper and Sunsuper in March 2022. The fund was nominated as a finalist for the 2023 MySuper of the Year, the 2023 Net Benefit and the 2023 Smooth Ride awards. ART-Super Savings-Accumulation Account is designed help members manage their superannuation through from their working life to retirement.

The MySuper Lifecycle investment strategy reduces investment risk by transitioning the members to more conservative strategies as they get older, with investments gradually switched from the Balanced Pool to the Retirement and Cash Pools from age 55 to 65. Choice members have access to 7 diversified and 11 single sector options. The Lifecycle Balanced Pool option delivered strong returns, outperforming the relevant SuperRatings Index over all time periods assessed to 30 June 2022.

Fees are lower than the industry average across all account balances assessed, with the asset-based administration fee charged on account balances up to \$800,000 only. The fund does not charge an investment switching fee or a buy/sell spread.

A full suite of insurance cover is offered, with Standard Death and Total & Permanent Disablement (TPD) insurance cover automatically provided to eligible members upon joining the fund. Opt In Income Protection (IP) provides eligible new members with a benefit payment period of 2 years following a 90-day waiting period, covering up to 85% of salary, while 5 year or to age 65 benefit periods with 30, 60- or 180-day waiting periods can also be accessed through the Tailored IP cover.

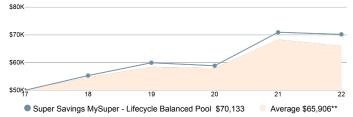

Additional benefits available include access to financial planning services, educational materials in the education hub, and interactive tools and calculators. The Member Online portal and mobile app further allow members to view account details and perform transactions.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.
