

## SuperRatings Assessment

Australian Retirement Trust is one of Australia's largest superannuation funds following the merger of QSuper and Sunsuper in March 2022. The fund was nominated as a finalist for the 2023 MyChoice Super of the Year, the 2023 Net Benefit and the 2023 Smooth Ride awards. The ART-Super Savings Corporate-Accumulation Account can be tailored to suit the needs of specific employer groups and their members.

Members have access to an investment menu comprising 7 diversified and 11 single sector options, including both actively managed and index investment strategies. The Balanced option delivered strong returns, outperforming the relevant SuperRatings Index over all time periods assessed to 30 June 2022.

Fees are lower than the industry average across all account balances assessed, with the asset-based administration fee charged on account balances up to \$800,000 only. The fund does not charge an investment switching fee or a buy/sell spread.

A full suite of insurance cover is offered and can be tailored to suit individual corporate plans. Members can apply for unlimited Death cover and up to \$3 million of Total & Permanent Disablement (TPD) cover. Income Protection (IP) covers up to \$5,000 per month for a 2-year benefit period and a 90-day waiting period or up to \$30,000 per month for 2 years, 5 years and to age 65 benefit periods, with a choice of 30, 60, 90- or 180-day waiting periods available.

Additional benefits available include seminars, educational material in the Employer hub and Business Knowledge Centre online, as well as the access to the Employer Online portal that provides flexible solutions for managing member accounts of tailored corporate plans.
